Victor Gilbert Beers

The Priest Of Midian:

The Blood Husband Andries Lievaart,2020-05-31 In this remarkable book Andries Lievaart explains that the story of the Blood Husband as mentioned in Exodus 4 can only be understood by studying the undiscovered forty years Moses spent in the land of Midian No other researcher of the Bible has succeeded in expressing in a clear way what happened in that period in the life of Moses in the life of his wife Zipporah and in the life of father in law Jethro The reader is so to speak taken into the lives of these three protagonists and will be astonished time after time The heart of many Christians will beat faster when reading the undiscovered biblical story about the Blood Husband The Victor Journey Through the Bible Victor Gilbert Beers,1996 A unique book that explores 250 famous Bible stories each accompanied by intriguing background information photography maps and vibrant full color illustrations **The Biblical World** William Rainey Harper,Ernest DeWitt Burton,Shailer Mathews,1906 Books for New Testament study By Clyde Weber Votaw v 26 p 271 320 v 37 p 289 352 **An Ark on the Nile** Keith Bodner,2016-07-21 The opening sector of the book of Exodus is a powerful narrative and a striking example of the artistic qualities of the Pentateuch a facet of the text that occasionally is neglected in high level scholarship Exodus 1 2 is finely choreographed work that compresses a vast amount of material onto a limited textual canvas creating a story that appeals to readers of every age Resuming where the book of Genesis leaves off the last image of Genesis 50 is a coffin in Egypt primed for a sequel the first two chapters of Exodus combine a fast moving plot with some unique shades of characterization Israel s growth in Egypt the rise of a malevolent new king the birth of a hero and early experiences of adversity for the main character in the story to come The burden of slavery and miracle of salvation are introduced in this sector of text and become paradigmatic examples of divine redemption that reverberate throughout the Hebrew Bible and beyond An Ark on the Nile The Beginning of the Book of Exodus is a close reading of Exodus 1 2 that analyzes the story as a reasonably self contained unit but suggesting that major plot movements in the book of Exodus are foreshadowed and anticipated here Applying a number of insights from literary theory Keith Bodner offers an illustration of further integration of biblical studies with cross disciplinary narrative interpretation **Exodus 18** Noppawat Kumpeeroskul,2024-07-05 This work argues that Exod 18 1 27 functions literarily and theologically as the key transitional midpoint in the Exodus narrative As such the chapter s function is both retrospective recalling key features of chapters 1 17 and prospective anticipating key features of chapters 19 40 at the midpoint of the book In the Exodus narrative the character of Jethro is rhetorically employed by the narrator as a model to contrast with all the nations and as a model to contrast with all the faithless Israelites Exodus 18 draws to a close a first narrative movement in the first half of the book in which Yahweh is seen and known through his mighty acts of deliverance Through Moses Yahweh delivers Exodus 18 also signals a shift in the second half of the book to a self revelation of Yahweh which will feature Israel s need to heed the word and will of Yahweh as mediated through Moses Through Moses Yahweh will govern **Freemason's Monthly** ,1872 **Yahweh before Israel** Daniel E.

Fleming,2020-12-03 Yahweh is the proper name of the biblical God His early character is central to understanding the foundations of Jewish Christian and Islamic monotheism As a deity the name appears only in connection with the peoples of the Hebrew Bible but long before Israel the name is found in an Egyptian list as one group in the land of tent dwellers the Shasu This is the starting point for Daniel E Fleming s sharply new approach to the god Yahweh In his analysis the Bible s people of Yahweh serve as a clue to how one of the Bronze Age herding peoples of the inland Levant gave its name to a deity initially outside of any relationship to Israel For 150 years the dominant paradigm for Yahweh s origin has envisioned borrowing from peoples of the desert south of Israel Fleming argues in contrast that Yahweh was not taken from outsiders Rather this divine name is evidence for the diverse background of Israel itself **Michigan Freemason** ,1872 **The Divine Moses** Oleg Uryupin, Theologian,2021-03-18 The Prophet Moses whose life is depicted in a variety of paintings icons movies and other forms of art is one of the most famous biblical figures However these types of portrayals tend to draw exclusively on biblical narratives This book attempts to create a three dimensional structure of the biblical narrative in order to uncover the global and historical significance of this remarkable human being as well as the blessed fruits of his labor and wisdom which were passed down not only to the Israeli people but to all of humankind We shall embark upon a journey to ancient times in order to feel the zeitgeist of Moses day learn about God and the fellowship of His chosen people and come to know the miracles and wonderful gifts that He has bestowed upon us *Revelation of the Bible* Moshe Mazin,2021-01-08 Building on his first book *Revelation of the Bible* The Book of Genesis this volume examines the book of Exodus in detail Moshe Mazin highlights how God made contact with the Hebrew people on Mount Sinai recapping important themes from the first book so anyone can understand the events of Exodus Examining the Bible from multiple perspectives the author focuses on themes such as advancements in technology and the growth of collective knowledge knowledge and information and how we can use it to explain biblical events extra terrestrials and their possible role interacting with humans The author explains Pharaoh s plans for restricting and eliminating the Hebrew people Moses s encounter at the burning bush what happened during the ten plagues on Egypt the exact location of the crossing of the Sea of Reeds the deliverance of the Ten Commandments on Mount Sinai the roles of the Ark of the Covenant that God asked Moses to build and other critical events Find out how miracles from long ago can be explained by advance technology with the surprising conclusions and insights in *Revelation of the Bible* **Dictionary of the Bible** William Smith,1870 *The Invention of God* Thomas Römer,2015-12-14 Who invented God When why and where Thomas R mer seeks to answer these enigmatic questions about the deity of the great monotheisms Yhwh God or Allah by tracing Israelite beliefs and their context from the Bronze Age to the end of the Old Testament period in the third century BCE in a masterpiece of detective work and exposition *The Swedenborg Concordance* John Faulkner Potts,1895 *Arcana Coelestia* Emanuel Swedenborg,1875 *The Book of Exodus in the Revised Version* Samuel Rolles Driver,1918 *The People's Bible Encyclopedia* Charles Randall Barnes,Melvin Grove

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
