The Private Degas:

The Private Degas Richard Thomson,1987 **The Private Collection of Edgar Degas** Ann Dumas,Metropolitan Museum of Art (New York, N.Y.),1997 This volume investigates Degas dual role as both artist and collector Featuring works by well known artists like Delacroix Ingres Daumier Manet C zanne Gauguin Van Gogh Cassatt and others this publication is the definitive text outlining Degas long career collecting important pieces by his predecessors as well as his contemporaries Metropolitan Museum of Art website [The Private Collection of Edgar Degas](#) ,2013 [The Private Collection of Edgar Degas](#) Ann Dumas,1997-01-01 When Edgar Degas died in 1917 his enormous art collection consisting of several thousand paintings drawings and prints came to light This remarkable assemblage included great numbers of works by the French nineteenth century masters whom Degas revered Delacroix Ingres and Daumier and at the same time demonstrated Degas s profound interest in the art of certain of his contemporaries particularly Manet Cezanne Gauguin and Mary Cassatt Dispersed when it was sold at auction in 1918 during the bombardment of Paris the collection is now the subject of both an illuminating exhibition and this accompanying catalogue In a series of essays some previously published and some written for this book major scholars discuss from various perspectives Degas s collection and its relation to his own art *The Private Collection of Edgar Degas* Julie A. Steiner,Metropolitan Museum of Art (New York, N.Y.),1997 The art collection assembled by Edgar Degas was remarkable not only for its quality size and depth but also for its revelation of Degas s artistic affinities He acquired great numbers of works by the nineteenth century French masters Ingres Delacroix and Daumier he bought or bartered his own pictures for art by many of his contemporaries particularly Manet Cezanne Gauguin and Cassatt and he acquired works by a wide range of other artists from eminent to little known The extent of Degas s holdings was not recognized until after his death when the collection came up for auction in Paris in 1918 and in what was called the sale of the century was widely dispersed Extensive research has made it possible to reassemble that collection in book form This summary catalogue contains information on the more than five thousand works owned by Degas For each work catalogued the entry includes to the extent possible a description with medium and dimensions provenance information about Degas s acquisition and ownership of the work information pertaining to the sale of the work in 1918 or its disposal earlier including the purchaser purchase price and other data the current location selected references and an illustration In a concordance collection sale lot numbers are listed with their corresponding summary catalogue numbers This catalogue and its companion volume of essays are published in conjunction with the exhibition *The Private Collection of Edgar Degas* held at The Metropolitan Museum of Art New York from October 1 1997 to January 11 1998 BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **The Private Collection of Edgar Degas** Colta Feller Ives,Colta Es,Susan Alyson Stein,1997-09-01 When Edgar Degas died in 1917 his enormous art collection consisting of several thousand paintings drawings and prints came to light This remarkable assemblage included great numbers of works by the French

nineteenth century masters whom Degas revered Delacroix Ingres and Daumier and at the same time demonstrated Degas's profound interest in the art of certain of his contemporaries particularly Manet Cezanne Gauguin and Mary Cassatt **The Private Collection of Edgar Degas** Metropolitan Museum of Art (New York, N.Y.),1997 This summary catalogue provides comprehensive and detailed information about the contents of Edgar Degas's private collection Edgar Degas, the Private Impressionist Robert Flynn Johnson,Louise Siddons,2012 The Private collection of Edgar Degas ,1997 *Exchanges between Literature and Science from the 1800s to the 2000s* Márcia Lemos,2017-03-07 This collection of essays responds to the intense interest that the relations between the discourses of literature and other cultural practices and those of science have obtained throughout various fields of study Spanning a period between the mid nineteenth century and the twenty first century the work collected here is firmly focused on the cultural significance of scientific discoveries and practices and especially on the manifold representations of science and scientists in literature and the arts Its four sections develop from an initial moment of dwindling indefiniteness of borders between literature and the sciences to the historical perception of an increasing divide between the two cultures to use C P Snow's influential expression as well as calls for a form of convergence or consilience in Edward Wilson's words The final section turns to the medical sciences a porous scientific discipline in relation to the humanities which suggests that consilience can already be found partially in specific areas As such this collection contributes towards critically extending that integration through the discussion of key literary representations of science its promises and its problems **Lillie P. Bliss** Irene M. Walsh,2025-04-24 She helped found MoMA and pioneered the promotion of work of American and French modern artists at the turn of the 20th century but until now her life and legacy remain woefully under examined An early pioneer and patron of French and American modernism Lillie P Bliss 1864 1931 was one of three female cofounders of MoMA in 1929 and went on to furnish the museum with one of the finest collections of modern art in the world Presenting case studies alongside data driven analysis drawn from original research into the American art market this book reconstructs Bliss's influential career in rich and compelling detail It weaves together extensive archival material related to the art and the artists that Bliss collected and patronised such as Paul Cezanne Pierre Auguste Renoir Edgar Degas Georges Seurat and Odilon Redon the art market of the time and the evolution of the New York museum ecosystem and highlights the importance of private collecting in the development of American museums By revisiting MoMA's foundational history author Irene Walsh explores how Lillie P Bliss's visionary bequest of over 120 artworks upon her death in 1931 profoundly influenced and shaped the institution questioning why her pioneering role has been overshadowed by other collectors Combining biography market knowledge institutional analysis and art history it enriches our understanding of early 20th century dealer dynamics and collection strategies in New York illuminates the role of collections in shaping art narratives while offering contemporary insights into women's agency in the arts Global interdisciplinary and timely the book provides fascinating first hand research into a collector of great importance and will

make a long standing contribution to studies in the art market and 20th century collecting **Illustrated Catalogue of the Notable Private Collection of Paintings and Pastels by the Great French Master the Late Hilaire Germain Edgar Degas** Edgar Degas,1921 **The Private Collection of Edgar Degas , Intimate Metropolis** Vittoria Di Palma,Diana Periton,Marina Lathouri,2008-09-25 Intimate Metropolis explores connections between the modern city its architecture and its citizens by questioning traditional conceptualizations of public and private Rather than focusing purely on public spaces such as streets caf s gardens or department stores or on the domestic sphere the book investigates those spaces and practices that engage both the urban and the domestic the public and the private The legal political and administrative frameworks of urban life are seen as constituting private individuals sense of self in a wide range of European and world cities from Amsterdam and Barcelona to London and Chicago Providing authoritative new perspectives on individual citizenship as it relates to both public and private space in depth case studies of major European American and other world cities and written by an international set of contributors this volume is key reading for all students of architecture

Masterpieces of European Painting, 1800-1920, in the Metropolitan Museum of Art Metropolitan Museum of Art (New York, N.Y.),Kathryn Calley Galitz,2007 **The Private Collector's Museum** Georgina Walker,2019-05-17 The Private Collector s Museum connects the rising popularity of private museums with evolving models of collecting and philanthropy and new inter relationships between private and public space It examines how contemporary collectors construct museums to frame themselves as cultural arbiters of global distinction By exploring a range of in depth contemporary case studies the book aims for a more complex understanding of the private collector s museum assessing how it is realised funded and understood in a broader cultural context It examines the ways in which this particular museum model has evolved within a historical Western tradition of collecting and museum building and considers how private museums will endure alongside their public counterparts It also sheds light on the shifting patterns of collecting such as the transition of personal art collections into the public sphere The developments are situated within the wider context of private public engagement in general Providing a new analysis of philanthropy public access and the museum The Private Collector s Museum is essential reading for scholars and students interested in the private museum and key reading for those interested in related issues

The Connoisseur ,1918 A Private Passion Stephan Wolohojian,Anna Tahinci,2003 For the Winthrop collection s international debut exhibition curators at the Fogg Art Museum of the Harvard University Art Museums headed by Stephan Wolohojian organized the selection and invited more than sixty specialists to write on artworks in their particular area of expertise Works include such highlights in their creator s oeuvre as Jacques Louis David s sketchbooks for The Coronation of Napoleon and the Crowning of Josephine Theodore Gericault s Mutiny on the Raft of the Medusa Vincent van Gogh s The Blue Cart Jean Auguste Dominique Ingres s Odalisque with the Slave William Blake s illustrations for the Divine Comedy Dante Gabriel Rosetti s Blessed Damozel and James Abbott McNeill Whistler s Nocturne in Blue and Silver In addition an

JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **The Case of the
Disappearing Gauguin** Stephanie A. Brown, 2024-07-23 A globetrotting Gold Rush heiress An awkward Paris schoolmaster
A celebrated French actor And a museum of history and art in California s Central Valley What do they have in common They
are all connected by an oil painting a still life called Flowers and Fruit that may or may not have been painted by the post
Impressionist Paul Gauguin In the decade that museums began to collect modern art Flowers and Fruit traveled the art
market in Paris and New York Experts and connoisseurs hailed it as a signature work of Gauguin just as he came to be
acknowledged as a master When it joined the Haggin Museum in Stockton California locals treasured it as the Museum s
Gauguin But by 1964 Gauguin scholars and experts in Paris and New York had lost track of the painting and declared it lost
When it resurfaced in 2018 they questioned its authenticity How could a genuine Gauguin have been hiding in plain sight in a
provincial American museum Is Flowers and Fruit a forgery or is it authentic Follow along as historian curator and professor
of museum studies Dr Stephanie Brown traces the unlikely history of the painting Using never before seen archives and
making new connections Brown writes the biography of a painting and explores what we mean by authenticity and who gets
to define it Now undergoing technical examination as a result of Dr Brown s findings Flowers and Fruit has embarked on a
new chapter of its life If the painting is authentic it will be the most valuable painting in the Haggin s collection and one of
the most important paintings in California And if the painting is a forgery who was the forger **Catalogue of the Private
