The Good German:

The Good German Joseph Kanon, 2006-10-31 Set in Berlin in 1945 a brilliant thriller about the end of one war and the beginning of another is offered by the bestselling author of *Los Alamos* **The Good German** David Wiltse, 2004 Despite his prejudices Karl Vogel offers refuge to a fugitive Jew during World War II to please his wife Karl strongly dislikes Wilhelm Braun but even after his wife dies he refuses to betray his devotion to her and her faith in his decency by evicting him Karl's friend Siemi a man who has anti-Semitic sympathies but does not agree with the German government's campaign to demonize Jews has even become fond of Braun Even so Siemi becomes convinced he must betray Braun to the Gestapo in order to save Karl and himself Karl is forced to decide whether his sense of decency is stronger than his sense of self preservation Should he protect his unwanted guest or allow him to be turned over to a regime he finds repugnant

Representing the "good German" in Literature and Culture After 1945 Pól Ó Dochartaigh, Christiane Schönfeld, 2013 Essays analyzing postwar literary cultural and historical representations of good Germans during the Second World War and the Nazi period In the aftermath of the Second World War both the allied occupying powers and the nascent German authorities sought Germans whose record during the war and the Nazi period could serve as a counterpoint to the notion of Germans as evil That search has never really stopped In the past few years we have witnessed a burgeoning of cultural representations of this other kind of Third Reich citizen the good German as opposed to the committed Nazi or genocidal maniac Such representations have highlighted individuals' choices in favor of dissenting behavior moral truth or at the very least civil disobedience The good German's counterhegemonic practice cannot negate or contradict the barbaric reality of Hitler's Germany but reflects a value system based on humanity and an other ideal community This volume of new essays explores postwar and recent representations of good Germans during the Third Reich analyzing the logic of moral behavior cultural and moral relativism and social conformity found in them It thus draws together discussions of the function and reception of Good Germans in Germany and abroad Contributors Eoin Bourke Manuel Bragança Maeve Cooke Kevin De Ornellas Sabine Egger Joachim Fischer Coman Hamilton Jon Hughes Karina von Lindeiner Strösky Alexandra Ludewig Pól Ó Dochartaigh Christiane Schönfeld Matthias Uecker Pól Ó Dochartaigh is Professor of German and Dean of the Faculty of Arts at the University of Ulster Northern Ireland Christiane Schönfeld is Senior Lecturer in German and Head of the Department of German Studies at Mary Immaculate College University of Limerick **The Good German** Joseph Kanon, 2001-10-11 Set in Berlin just after the end of World War II a brilliant thriller about the end of one war and the beginning of another by the bestselling author of *Los Alamos* Berlin 1945 Jake Geismar former Berlin correspondent for CBS has managed to wangle one of the coveted press slots for the Potsdam Conference His assignment a series of articles on the American occupation of postwar Berlin His personal agenda to find Lena the German mistress he left behind at the outbreak of the war When he stumbles on a murder an American soldier washed up on the shore of the conference grounds he thinks he has found the key

that will unlock his Berlin story What he finds instead is a larger story of corruption and intrigue reaching deep into the heart of the occupation and a city not only physically but morally devastated where children scavenge for food in the rubble sex can be had for a cigarette and the black market is the only means of survival Berlin at zero hour is like nowhere else a tragedy and a feverish party after the end of the world And nothing is simple not the murder of a soldier and not any of the lives American and German that Jake encounters as he tries to solve it More unsolvable still is the larger crime that hangs over everything in 1945 a crime so huge it seems beyond punishment At once a murder mystery a love story and a riveting portrait of a unique time and place *The Good German* is a historical thriller of the first rank *They Marched Into Sunlight* David Maraniss, 2003 Focuses on a crucial two day battle in Vietnam that was also marked by an ill fated protest by University of Wisconsin students at the Dow Chemical Company in an hour by hour narrative **Poetics of Politics** Sebastian M. Herrmann, Carolin Alice Hofmann, Katja Kanzler, Stefan Schubert, Frank Usbeck, 2015-04-22 This volume proposes the poetics of politics as an analytic angle to interrogate contemporary cultural production in the United States As recent scholarship has observed American literature and culture around the turn of the millennium while still deeply informed by the textual self consciousness of postmodernism are marked by a rekindled interest in matters of social concern This revived interest in politics is frequently read as a grand epochal transition Sidestepping such a logic of periodization this book points to the interplay between the textual and the political as a dynamic always locally specific that affords unique insights into the characteristics of the contemporary moment The sixteen case studies in this book explore this interplay across a wide range of media genres and modes Together they make visible a broad cultural concern with negotiating social relevance and textual self awareness that permeates and structures contemporary US popular culture **Involution & Evolution** Joss Sheldon, 2014-08-28 It s not easy to make a stand for peace when you live in a world which is besotted with war This is the story of Alfred Freeman a boy who does everything he can to serve humankind He feeds five thousand youths salves saves and soothes and champions the maligned He helps paralytics to feel fine turns water into wine and gives sight to the blind When World War One draws near his nation is plunged into fear and so Alfred makes a stand He opposes the war and calls for peace disobeys the police and speaks out across the land He makes speeches and he preaches using statements which sound grand But the authorities hit back and launch a potent attack which is full of disgust derision and disdain Alfred is threatened with execution and suffers from persecution which leaves him writhing in pain He struggles to survive remain alive keep cool and stay sane *Involution* and will get inside your head With colourful characters and poetic flair it is a scathing critique of modern warfare and all its gory bloodshed It s a novel which breaks new ground is sure to astound and really must be read Probably the best epic poem of the modern era *Involution Evolution* is fast paced masterpiece that will touch your soul **Screening Nostalgia** Christine Sprengler, 2009-01-01 In this fascinating in depth study of the impact of nostalgia on contemporary American cinema Christine Sprengler unpicks the history of the concept and explores its

significance in theory and practice She offers a lucid analysis of the development of nostalgia in American society and culture navigating a path through the key debates and aligning herself with recent attempts to recuperate its critical potential This journey opens up the myriad permutations of nostalgia across visual and material culture and their interface with cinema with the 1950s emerging as a privileged moment Four case studies Sin City Far From Heaven The Aviator and The Good German analyse the ways in which aspects of visual design such as props costume and colour contribute to the nostalgic aesthetic allowing for both critical distance and emotion Written with verve style and impressive attention to detail Screening Nostalgia is an invaluable addition to existing scholarship It is also essential reading for anyone interested in the ways in which we access the past through cinema Pam Cook Professor Emerita in Film University of Southampton

Another Steven Soderbergh Experience Mark Gallagher,2013-04-15 How do we determine authorship in film and what happens when we look in depth at the creative activity of living filmmakers rather than approach their work through the abstract prism of auteur theory Mark Gallagher uses Steven Soderbergh s career as a lens through which to re view screen authorship and offer a new model that acknowledges the fundamentally collaborative nature of authorial work and its circulation Working in film television and digital video Soderbergh is the most prolific and protean filmmaker in contemporary American cinema At the same time his activity typifies contemporary screen industry practice in which production entities distribution platforms and creative labor increasingly cross pollinate Gallagher investigates Soderbergh s work on such films as The Limey Erin Brockovich Ocean s Eleven and its sequels Solaris The Good German Che and The Informant as well as on the K Street television series Dispensing with classical auteurist models he positions Soderbergh and authorship in terms of collaborative production location filming activity dealmaking and distribution textual representation genre and adaptation work critical reception and other industrial and cultural phenomena Gallagher also addresses Soderbergh s role as standard bearer for U S independent cinema following 1989 s sex lies and videotape as well as his cinephilic dialogues with different forms of U S and international cinema from the 1920s through the 1970s Including an extensive new interview with the filmmaker Another Steven Soderbergh Experience demonstrates how industries and institutions cultivate recognize and challenge creative screen artists
