The Holy Book of Luck A. Saed Alzein,2021-07-28 Have you ever wondered about luck What is luck Is it blind force that hits randomly and changes people s lives for the better or worse Is it rational energy with conscious purpose Why hard work is a myth and why your success depends to a large extent on your luck The Holy Book of Luck is fascinating The first of its kind book challenging the outdated notion that hard work is the only way to success it is NOT The Author A Saed Alzein who is Harvard University certified sustainable Business Strategist and London Business School Certified Corporate Strategist based in London An Economist by study with substantial experience running different enterprises around the world including prize competitions and luck related business has just published this mind blowing book with all the old mantras being challenged and put to rest He argues that luck plays a major role in your success and you can t do anything about it The Holy Book of Luck is the book which takes you on a pleasant journey to really change your perspective forever about luck and hard work

The Myth of Luck Steven D. Hales,2020-07-23 Humanity has thrown everything we have at implacable luck novel theologies entire philosophical movements fresh branches of mathematics and yet we seem to have gained only the smallest edge on the power of fortune The Myth of Luck tells us why we have been fighting an unconquerable foe Taking us on a guided tour of one of our oldest concepts we begin in ancient Greece and Rome considering how Plato Plutarch and the Stoics understood luck before entering the theoretical world of probability and exploring how luck relates to theology sports ethics gambling knowledge and present day psychology As we travel across traditions times and cultures we come to realize that it s not that as soon as we solve one philosophical problem with luck that two more appear like heads on a hydra but rather that the monster is altogether mythological We cannot master luck because there is nothing to defeat luck is no more than a persistent and troubling illusion By introducing us to compelling arguments and convincing reasons that explain why there is no such thing as luck we finally see why in a very real sense we make our own luck that luck is our own doing The Myth of Luck helps us to regain our own agency in the world telling the entertaining story of the philosophy and history of luck along the way
