The Good Sister Jack A. Taylor,2022-08-31 It all starts with a dare Salome a spirited young woman in Galilee is perched in a tree and challenges Nathaniel her smitten childhood friend to climb onto a high branch after her He falls and crushes a leg Salome flees the scene in shock abandoning Nathaniel When Salome discovers her younger sister Mariam the Virgin Mary is pregnant out of wedlock after their older sister Rebekah has been raped by Roman soldiers she tries to raise the family s reputation by marrying a man she barely knows forsaking Nathaniel and nurturing guilt At the same time Nathaniel battles his own

seemingly unrequited feelings for Salome and also marries another Both Nathaniel and Salome wrestle with inner turmoil and become undercover messengers and freedom fighters for the Zealots in a fledgling rebellion Their paths continue to cross over the years and a tangled relationship simmers and evolves This coming of age story is set in biblical times amid the brutal rule of Roman centurions yet has universal and modern day relevance Salome s shame fear regret love integrity and perseverance will resonate with anyone dealing with the desire to be good The Good Sister is the first in a trilogy that follows Salome as she navigates the murky waters of human motivations and aspirations only to discover that real love is not necessarily tied to goodness Plain Jane 3 Jane Coma,2012-11 The stories contained in this book were told to children in Albania many years ago Some may appear harsh confusing or antiquated to contemporary readers but they are best understood as stories written for us and not to us Albania is an ancient and rich culture with centuries of tradition so please read these stories with that in mind In Plain Jane 3 I will share childhood stories that I heard growing up Although my grandparents and great grandparents were uneducated people they were very smart though quite old fashioned They taught me the value of hard work and how to enjoy the simple pleasures of life A Grammar of New Testament Greek Rodney A. Whitacre,2021-11-30 A reader s guide to the morphology and syntax of Koine Greek From the pen of a seasoned instructor of biblical Greek this book functions as both an essential resource for second year students and an invaluable asset for all readers as they continue to hone and deepen their linguistic skills It begins with a basic overview of the language for new learners and for those looking for a brief refresher before moving into nuanced matters of morphology and syntax Whitacre s aim is ultimately to help readers understand the subtleties of the language on the pages of the New Testament thus he engages with the biblical text both grammatically and exegetically so that readers can experience its full power and beauty Including numerous illustrative examples throughout and several useful appendices at the end A Grammar of New Testament Greek is indispensable both as a textbook and as a reference for all readers of the Greek New Testament and other texts written in Koine such as the Septuagint and the Apostolic Fathers **The Family friend [ed. by R.K. Philp].** Robert Kemp Philp,1857 **Universalist Union** ,1842
