The Gospel According To Matthew:

The Gospel According to Matthew, 1999 The publication of the King James version of the Bible translated between 1603 and 1611 coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English language literature in history Now world class literary writers introduce the book of the King James Bible in a series of beautifully designed small format volumes The introducers passionate provocative and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance The Gospel of Matthew John Nolland, 2005-11-01 Having devoted the past ten years of his life to research for this major new work John Nolland gives us a commentary on the Gospel of Matthew that engages with a notable range of Matthean scholarship and offers fresh interpretations of the dominant Gospel in the history of the church Without neglecting the Gospel's sources or historical background Nolland places his central focus on the content and method of Matthew's story His work explores Matthew's narrative technique and the inner logic of the unfolding text giving full weight to the Jewish character of the book and its differences from Mark's presentation of parallel material While finding it unlikely that the apostle Matthew himself composed the book Nolland does argue that Matthew's Gospel reflects the historical ministry of Jesus with considerable accuracy and he brings to the table new evidence for an early date of composition Including accurate translations based on the latest Greek text detailed verse by verse comments thorough bibliographies for each section and an array of insightful critical approaches Nolland's Gospel of Matthew will stimulate students preachers and scholars seeking to understand more fully Matthew's presentation of the gospel narrative

The Gospel According to Matthew R. T. France, 1985 R T France's study of Matthew's Gospel is a contribution to the Tyndale New Testament Commentaries a popular commentary designed to help the general Bible reader understand clearly what the text actually says and what it means without undue recourse to scholarly technicalities The Gospel of Matthew R.T. France, 2007-07-11 The English translation at the beginning of each section is France's own designed to provide the basis for the commentary This adept translation uses contemporary idioms and where necessary gives priority to clarity over literary elegance **BOOK JACKET** **The Gospel of Matthew** Rudolf Schnackenburg, 2002 From ancient times the Gospel of Matthew has been regarded as the church Gospel its aims are preeminently catechetical pastoral and missionary But recent research raises many questions regarding Matthew's creation theological intentions and shaping for the circle of its first recipients This highly original commentary by Rudolf Schnackenburg follows Matthew chapter by chapter and verse by verse carefully explaining and interpreting the text against both its primitive and current horizons Schnackenburg sees Matthew's purpose as simply the proclamation of Christian salvation His commentary gives extra attention to the great discourses of Jesus found in Matthew such as the Sermon on the Mount showing how Jesus words and works have special currency for the self understanding of the church and for the task of Christian living today Written by a master exegete with a pastor's

sensitivity this commentary will fast become a classic study of Matthew's Gospel **The Gospel According to Matthew,**

Morris, 1992-07-29 In the Christian Church the Gospel of Matthew has been considered the most important portrait of Jesus life and message Containing Jesus Sermon on the Mount and a uniquely rich collection of parables among many other things Matthew has made a major contribution to the church throughout the centuries and it still has much to say to the church today This superb commentary in the Pillar series explores the meaning and relevance of Matthew in an eminently straightforward fashion Leon Morris writes for readers who use commentaries to discover further what the Bible means Throughout he makes clear what he considers to be the meaning of the Greek text that Matthew has bequeathed to the church A perceptive introduction precedes Morris's warmhearted verse by verse exposition of Matthew an exposition based on his own literal translation of the text Now a standard reference work on the Gospel of Matthew this mature evangelically oriented commentary will continue to meet the needs of students pastor and general readers alike **The Gospel of**

Matthew Donald Senior, 2011-12-01 Biblical texts create worlds of meaning and invite readers to enter them. When readers enter such textual worlds which are often strange and complex they are confronted with theological claims. With this in mind the purpose of the Interpreting Biblical Texts series is to help dedicated students in their experience of reading and interpreting by providing guides for their journeys into textual worlds. The controlling perspective is expressed in the operative word of the title interpreting. The primary focus of the series is not so much on the world behind the texts or out of which the texts have arisen as on the worlds created by the texts in their engagement with readers. In this volume Donald Senior provides an up to date introduction to the Gospel of Matthew. The seven chapters of Part One focus on modern biblical scholarship and the interpretation of Matthew discussing the sources and structure of the Gospel its use of the Old Testament its understanding of Jewish Law its setting as a part of the mission of Christianity to the Gentiles its Christology its understanding of the nature of discipleship and the community from which the Gospel originated. The six chapters of Part Two provide a structured guide to reading and interpreting Matthew's Gospel. **The Gospel According to Matthew in the Revised Standard Version** H. Benedict Green, 1975 This detailed study provides a full introduction notes and commentary to the Gospel according to Matthew. Green discusses the Gospel's sources structure historical setting reception to the writings by the Church at large Matthew's place in Christianity and includes from the writings of Papias an interesting statement about Matthew.
