Harrisville III, 2023-03-14 The importance of faith in Christianity cannot be denied nor the arguments surrounding it The crisis of faith that now grips the Western church necessitates a fresh look at its essential teachings This study traces the trajectory of St Paul's concept of faith in the rest of the New Testament in order to answer the question of how far and in what manner the other books of the New Testament agree or disagree with the Apostle of the Gentiles Was St Paul an outlier or an influencer Common assumptions about faith and the language of faith are challenged in this study Rather than giving simple voice to conventional presuppositions this book wrestles with the origin and character of Christian faith and provides a provocative view that should spark renewed discussion about the heart of Christianity *Teaching As Jesus Taught* Roy Check B. Zuck, 2002-01-09 Bible teachers have an ideal model for evaluating their pedagogy the Master Teacher Jesus Read through the Gospels and you quickly reach the conclusion that Jesus was a dynamic remarkably effective teacher never boring always stimulating never obtuse always clear never pompous or distant always personal and lovingly concerned writes Roy Zuck Zuck explores Jesus involvement of students in the learning process his modeling of truth his method of responding to questions his use of rhetorical technique visuals and illustrations and his attitude toward those who sat under his instruction Zuck covers the Rabbi's overall style and its impact on disciples the general public and those who rejected him
