The Gospel Jesus Peter Bartley,1996 **The Truth about Jesus : Is He a Myth?** M. M. Mangasarian,2022-05-28 In *The Truth about Jesus Is He a Myth* M M Mangasarian scrutinizes the historical existence of Jesus Christ with a blend of scholarly acumen and provocative inquiry Presented originally to the Independent Religious Society in Orchestra Hall this work is as daring as it is meticulous engaging readers with a thorough examination of Christian documents and traditions juxtaposed against secular historical records Mangasarian s literary style is marked by cogent arguments and methodical deconstruction of biblical narratives evaluating claims such as the virgin birth the crucifixion and the parallels with Paganism The book is shrouded within the broader realm of religious philosophy and the historical analysis of early Christianity and it challenges the reader to consider the fusion of history myth and religion in the making of a central figure like Jesus Moses M Mangasarian a once Presbyterian minister who turned Rationalist employs his profound knowledge of theological doctrines and historical texts to pose challenging questions about religion s role and interpretations within society His own journey from orthodoxy to skepticism imbues the text with a unique perspective melding a deep understanding of Christian tenets with a robust challenge to their historical veracity This book is a testament to his life s work in seeking to elucidate the intersection of faith and fact and to offer an alternative discourse to traditional religious narratives Ideal for both students of theology and those interested in religious critique *The Truth about Jesus Is He a Myth* comes highly recommended It is an indispensable resource for anyone intrigued by the historical debate surrounding the figure of Jesus and the origins of Christianity Mangasarian s dissection of widespread assertions within Christendom is sure to evoke reflection discussion and renewed understanding whether one aligns with religious belief or maintains a secular or skeptical viewpoint This volume promises to be a thought provoking addition to any intellectual library and a catalyst for critical discourse on one of the most influential narratives of Western civilization *The Gospel Truth* Patrick T. Rhoads,2020-07-31 The skepticism holding sway in our public society practically screams that one cannot be serious and also be Christian This work exposes the lie to such skepticism This book adopts the scientific method to demonstrate the underlying facts recorded in the Gospels The arguments rely solely upon reason and objective criteria to substantiate their conclusions This fast paced work by a nuclear engineering executive with more than thirty five years of experience will defy expectations Rigorous and systematic this apologetic work is curated with verve energy and wit It will pique the interests of academics and lay audience alike by answering these questions Why is the resurrection a necessary but not sufficient condition for the rise of Christianity Who founded Christianity Hint it was not Saint Paul as many suppose Why did the church retain all of the Hebrew Bible even though only a small fraction pertains directly to the New Testament How does the church rectify the necessity of justice with the virtue of mercy Why did his first followers call Jesus the Christ while fully aware that he did not satisfy the expectations of the Christ in the Hebrew Bible At the end of the book readers will ask the same question about Jesus that Jesus asked of

the apostles Who do you say that I am *The Oral Gospel Tradition* James D.G. How the Gospels Became History M. David Litwa, 2019-08-06 A compelling comparison of the gospels and Greco Roman mythology which shows that the gospels were not perceived as myths but as historical records Did the early Christians believe their myths Like most ancient and modern people early Christians made efforts to present their myths in the most believable ways In this eye opening work M David Litwa explores how and why what later became the four canonical gospels take on a historical cast that remains vitally important for many Christians today Offering an in depth comparison with other Greco Roman stories that have been shaped to seem like history Litwa shows how the evangelists responded to the pressures of Greco Roman literary culture by using well known historiographical tropes such as the

mention of famous rulers and kings geographical notices the introduction of eyewitnesses vivid presentation alternative reports and so on In this way the evangelists deliberately shaped myths about Jesus into historical discourse to maximize their believability for ancient audiences **The Biblical Repertory and Princeton Review** ,1871
