

The background of the slide is a scenic landscape. In the foreground, there is a dark, forested hillside. In the middle ground, a calm body of water stretches across the frame. In the far distance, a range of mountains is visible under a pale, overcast sky. The overall tone is serene and natural.

The Gospel Of Jesus Old Testament Sermons:

The Gospel of Jesus Daniel G. Samuels, 2002 **And God Spoke to Abraham** Fleming Rutledge, 2011-11-01 Sixty superlative sermons on familiar Old Testament texts Many Christian preachers today largely neglect the Old Testament in their sermons focusing instead on the Gospel accounts of Jesus teachings and activities As Fleming Rutledge points out however when the New Testament is disconnected from the context of the Old Testament it is like a house with no foundation a plant with no roots or a pump with no well In this powerful collection of sixty sermons on the Old Testament Rutledge expounds on a number of familiar Old Testament passages featuring Abraham Samuel David Elijah Job Jonah and many other larger than life figures Applying these texts to contemporary life and Christian theology she highlights the ways in which their multivocal messages can be heard in all their diversity while still proclaiming univocally Hear O Israel the Lord our God the Lord is One **The Gospel in the Old Testament** Charles Fox Burney, 1921 Sermons *Preaching the Old Testament* Ronald James Allen, Clark M. Williamson, 2007-01-01 In this third and concluding volume of their lectionary commentary collection *Preaching the Gospels without Blaming the Jews* and *Preaching the Letters without Dismissing the Law* Ronald Allen and Clark Williamson encourage the church and its preachers to rediscover the Old Testament as a vibrant wellspring of Christian faith and life Preachers often neglect the Old Testament misrepresent it or regard its theological content as superseded by Jesus and the New Testament Allen and Williamson claim The authors help preachers avoid these traps by explaining how a text was understood before the Common Era without any reference to Jesus or Christian doctrine mentioning representative New Testament passages or themes that are informed by the older material and commenting briefly on the relationship between the lections in those cases when readings from the Old Testament are paired with readings from the New Testament **The Message of the Old Testament** Mark Dever, 2025-08-08 A Big Picture Overview of Each Old Testament Book The Old Testament is the story of God's promises to his people Below its somewhat obscure surface is hidden magnificent truth about the love and power of God Throughout its pages the reader can find promise after promise from God all of which are fulfilled in the New Testament in the incarnation of Jesus Christ Based on sermons in the early years of Mark Dever's ministry at Capitol Hill Baptist Church The Message of the Old Testament explores the Old Testament as a glorious whole so that readers are able to see the big picture of the majesty of God and the wonder of his promises Big Picture Analysis Covers each book of the Old Testament concisely and accurately Appeals to Pastors and Laypeople Alike A helpful resource for gaining a deeper understanding of the Bible or preaching an overview sermon to a congregation Written by Mark Dever Based on 28 sermons taught at Capitol Hill Baptist Church in Washington DC Replaces ISBN 978 1 58134 717 3 **Preaching from the Old Testament** Elizabeth Rice Achtemeier, 1989-01-01 This book provides theological insights as well as practical sermon suggestions for preachers and seminary students It treats the reader to a thorough examination of how to approach and interpret any portion of the Old Testament Preaching Christ from the Old

Testament Sidney Greidanus,1999-07-13 Arguing for the need both to preach Christ in every sermon and to preach regularly from the Old Testament Sidney Greidanus develops a christocentric method that will help preachers do both simultaneously Greidanus challenges Old Testament scholars to broaden their focus and to understand the Old Testament not only in its own historical context but also in the context of the New Testament Suggesting specific steps and providing concrete examples this volume provides a practical guide for preaching Christ from the Old Testament **Your Old Testament Sermon Needs to Get Saved** David M King,2021-05-04 Every good sermon proclaims the gospel even those from the Old Testament From the miracles of the Gospels to the teachings of the Epistles the New Testament is saturated with the saving work of Jesus Christ But where is He in the poetry prophets and history of the Old Testament Your Old Testament Sermon Needs to Get Saved is a practical handbook for preaching Christ from the Old Testament The book provides a comprehensive but simple hermeneutic for discerning how Jesus is present on every page of the Hebrew Scriptures You ll learn why and how to preach Christ from the Old Testament while experiencing the beauty of discovering and teaching how the saving work of Christ permeates the first two thirds of the Bible Let the Gospels Preach the Gospel Christopher J. H. Wright,2017-01-14 Preaching about the cross of Christ is one of the greatest privileges and responsibilities any preacher can have The four Gospel writers who wrote about the cross of Christ and the events leading up to it did so in their own unique way Each interpreting the events through the lens of different Old Testament Scriptures and each emphasising different themes Based on his own sermons preached over a number of years at All Souls Church in London Christopher Wright explores the rich variety and lets the four Gospels preach the Gospel in their own way This is an excellent resource for preachers which is further enriched by the final chapter that provides a personal commentary on how Wright prepared each of the sermons For God's Sake, Do Something!
