The Gospels Mark L. Strauss, 2018-02-01 The four New Testament books known as the Gospels give us a rich perspective into the life of Jesus While each may focus on various spiritual themes or present different aspects of Jesus's earthly life each gospel should be respected and appreciated for its literary and historical integrity Each writer's gospel book fueled by the Holy Spirit gives a unique window into who Jesus Christ is and what He came to accomplish Together they weave a beautiful tapestry of the story of salvation

[The Gospels](#) Rose Publishing, 2007-09 Gospels Lost and Found Who really wrote the Gospels Was it really Matthew Mark Luke and John Or were the gospels written by people who were utterly unconnected with eyewitnesses as some books and TV shows claim Were the gospels written so long after Jesus death and resurrection that they cannot be relied upon Were there gospels that were included in the New Testament and later removed Why were these four books chosen and not others 14 panels fits inside most Bibles Pamphlet is 8 5 x 5 5 inches and unfolds to 38 inches long Gospels Lost and Found gives solid reasons to trust the New Testament writings and provides answers to Bart Ehrman's book Misquoting Jesus The Story Behind Who Changed the Bible and Why Author Timothy Paul Jones Ph D shows where the critics are incorrect and provides us with a logical well reasoned arguments for believing that Jesus lived died and rose again according to the Scriptures Now is the time to discuss textual criticism because critics are bringing this to the public debate and claiming that the Bible cannot be trusted It is important help Christians become better informed ready to defend the faith Dr Jones interest in this topic began many years ago when he came across arguments against the Bible At first his faith was badly shaken and he wondered if he still believed in the Bible But as he researched more he found answers In just fourteen concise pages Dr Jones shows the errors in critics logic and facts and does it in an easy to understand style Dr Jones professor at Southern Baptist Theological Seminary has received the Baker Book House Award for excellence in theological scholarship He is author of Answers to the Da Vinci Code and Christian History Made Easy Click [HERE](#) to see more comments from top scholars on Dr Jones's work including his book length discussion on this topic published by InterVarsity Press Misquoting Truth Or enter into your browser http://www.ivpress.com/cgi/ivpress/book.pl?review_code=3447

[The Gospels](#), 1877 *The Gospels and Acts* Margaret Aymer, Cynthia Briggs Kittredge, David A. Sanchez, 2016-10-10 This commentary on the Gospels and Acts excerpted from the Fortress Commentary on the Bible The New Testament engages readers in the work of biblical interpretation Contributors from a diversity of perspectives connect historical critical analysis with sensitivity to current theological cultural and interpretive issues Each chapter Matthew through Acts includes an introduction and commentary based on three lenses ancient context the interpretive tradition and contemporary questions and challenges The Gospels and Acts introduces fresh perspectives and draws students preachers

and interested readers into the challenging work of interpretation The Gospel of Jesus James M. Robinson, 2005-09-06 We all know the Gospels of Matthew Mark Luke and John but what was the gospel of Jesus That is what was the original good news the first disciples heard from Jesus What did Jesus really say that started the dramatic movement in Galilee that grew to become the largest religion in the world Jesus s original gospel has been lost from sight hidden behind the version preferred by the church We have put him on a pedestal rather than walked in his footsteps In The Gospel of Jesus James M Robinson the preeminent expert on the earliest sources of information about Jesus provides the primary texts in all their unvarnished honesty to get to the true historical message of Jesus what Robinson calls a brittle upsetting comforting challenging gospel The Gospel of Jesus draws on a combination of the most ancient and authentic texts to reveal what Jesus really said and to illuminate what he may still have to say to us today Robinson addresses such provocative questions as What can we know about Jesus s childhood and youth What was his family like What sort of education did he receive How observant a Jew was he What do we know about his sex life What do we know about his relation to Mary Magdalene What was John the Baptist s impact on him What message did Jesus really preach What do we know about his crucifixion Why did his followers believe so fervently in his resurrection Drawing on the earliest Gospel Mark plus the source for Matthew and Luke known as Q as well as from Jewish sources such as the Dead Sea Scrolls and the ancient extra biblical Gnostic texts discovered at Nag Hammadi Robinson not only reconstructs the good news Jesus preached and practiced two thousand years ago but shows how relevant his message still is and how we can apply it to our lives today The Gospel of Jesus offers one of the most authentic and stirring accounts ever written of the message preached by the figure whose followers today number more than two billion

An Introduction to the Study of the Gospels Brooke Foss Westcott, 1902 Reading the Gospels Wisely Jonathan T. Pennington, 2012-07-01 This textbook on how to read the Gospels well can stand on its own as a guide to reading this New Testament genre as Scripture It is also ideally suited to serve as a supplemental text to more conventional textbooks that discuss each Gospel systematically Most textbooks tend to introduce students to historical critical concerns but may be less adequate for showing how the Gospel narratives read as Scripture within the canonical framework of the entire New Testament and the whole Bible yield material for theological reflection and moral edification Pennington neither dismisses nor duplicates the results of current historical critical work on the Gospels as historical sources Rather he offers critically aware and hermeneutically intelligent instruction in reading the Gospels in order to hear their witness to Christ in a way that supports Christian application and proclamation *Feasting on the Gospels--Luke, Volume 1* Cynthia A. Jarvis, E. Elizabeth Johnson, 2014-01-01 Feasting on the Gospels is a new series that follows up on the success of the Feasting of the Word series to provide another trusted preaching resource this time on the most preached on books in the Bible the four Gospels Inside cover **The Gospels** Frederick Clifton Grant, 1959
