The Grand Peregrination Aspects Of Portugal:

The Grand Peregrination Maurice Collis,1949 **Trade, Inquisition, and the English Nation in Portugal, 1650-1690** L. M. E. Shaw,1989 **British Bulletin of Publications on Latin America, the Caribbean, Portugal, and Spain** ,1990 **The Illustrious House of Ramires** Eça de Queirós,1992 In this brilliant many layered novel Eca chooses an unlikely hero a half ruined aristocrat generous devious who takes refuge from decline in writing about the courage of his forebears This is the story of Ramires and of the Portugal of Eca s time **113 Galician-Portuguese Troubadour Poems** ,1995 The poetry of the Provencal troubadours has been widely appreciated this century but most modern readers of English are unaware of the trovador tradition on the Iberian Peninsula Some 1 685 cantigas sung poems written in Galician Portuguese between the twelfth and fourteenth centuries survive in several cancioneiros song books The language of the cantigas reflects the vernacular spoken along the Minho river dividing Portugal from Galicia It was the idiom of lyric poets in every Peninsular region except Catalonia One of the two main types of love songs is the fascinating cantiga d amigo derived from an oral tradition native to the peninsula and narrated from the woman s point of view Satirical songs on the other hand provide insights into the history and politics of the day or else take delight in pure invective and ribald fun far more daring some would say vulgar than the work of poets of our own day The Portuguese in India M. N. Pearson,2006-11-02 This is a clear account written from an Indian point of view of Portuguese activities in India **The Hispano-Portuguese Empire and Its Contacts with Safavid Persia, the Kingdom of Hormuz and Yarubid Oman from 1489 to 1720** Willem M. Floor,Farhad Hakimzadeh,2007 Given the important role that the Portuguese played in the Persian Gulf from 1507 to 1720 knowing what is available about their activities in this area is not only of importance to those interested in the history of Portugal but also of those interested in the history of Bahrein Iran Iraq Oman Qatar eastern Saudi Arabia and the United Arab Emirates This bibliography of printed published works therefore contains a full list of primary and secondary sources not only in Western languages but also in Persian Arabic and Turkish It aims to facilitate the work of scholars and students but also of the non specialist i e those among the general public who want to know more about this part of the world during the sixteenth and seventeenth centuries and about the activities of the Portuguese Although other bibliographies exist that include the activities of the Portuguese in the Persian Gulf all are in need of updating and none are as comprehensive as this bibliography *To the Capital* Eça de Queirós,1995 As so often with Eca de Queiros the plot is simple the fascination of the novel lies in the characters the incidents and above all the warm humanity and mordant wit of this acute observer of the human condition **A Centenary Pessoa** Fernando Pessoa,1997 This volume includes a selection of Pessoa s poems and prose a photo biography critical comment and two posthumous interviews **Medieval and Renaissance Spain and Portugal** Arthur Lee-Francis Askins,2006 The career of Arthur L F Askins is celebrated in a panorama of current scholarship on the Iberian peninsula during the Middle Ages and the Renaissance This volume is dedicated to Professor

Arthur L F Askins whose scholarship on Spanish and Portuguese literatures of the Medieval and Renaissance periods is esteemed by colleagues around the world Many North American and European scholars have contributed with essays of an exceptionally high scholarly quality in English Spanish and Portuguese to this wide ranging tribute dealing with Spanish and Portuguese literary culture from the end of the fourteenth to the late sixteenth century Some tackle problems concerning manuscripts texts and books other essays are literary theoretical and interpretive in nature topics range from medieval and Renaissance epic and love poetry to spiritual travel and chivalric literature as well as balladry and pliegos sueltos
