The Grasshopper and the Ant Sigal Adler,2018-03-03 The Grasshopper and the Ant When you work all summer to save up your crumbs You'll have no worries when winter time comes About Aesop's Fables Who was Aesop and why are his fables famous all over the world In fact very little is known about this mysterious Ancient Greek figure He is thought to have been a slave originally from Africa but even that isn't known for certain But his stories with their talking animals and simple moral lessons have been popular for thousands of years They have been translated into almost every language and were among the first books to be printed when the printing press was invented in the 1400s The most famous Aesop's Fable is probably the story of The Hare and the Tortoise with its message that slow and steady wins the race Children everywhere have grown up loving these delightful short tales learning and growing through their bond with these timeless classics I grew up enjoying many of Aesop's fables and I'm excited to share them with you here in my own style a little more contemporary and told in rhymes to make them fun to read and listen to I hope you and your kids will love sharing these stories and learning from their messages just as much as I always have
