

TREASURE HUNTS

The background is a detailed, aged treasure map with various geographical features, a compass rose, and a dotted line path. A magnifying glass is positioned over the map, and a hand is visible on the right side, holding a red object, possibly a quill or a pen, pointing towards the map.

The Great Dallas Treasure Hunt:

The Great Dallas Treasure Hunt Tom Landess, 1979 The Great Texas Stamp Collection Charles W.

Deaton, 2012-09-15 Among the many difficulties the newly formed Confederate States of America endured in the summer of 1861 was the failure of its post office department to provide sufficient numbers of that item most crucial to its service the postage stamp Faced with the resulting din of customer complaints a handful of industrious Texas postmasters solved the problem by simply making their own homemade stamps In this thoroughly researched history of these rare and highly coveted stamps The Great Texas Stamp Collection traces their journey from creation through their rediscovery years later by local and then international stamp collectors a journey that culminated in the sale of a few pieces at a recent auction in New York that fetched more than 250 000 Weaving the larger contexts of Texas and U S postal history together with individual tales of greed intrigue forgery and discovery Deaton s book is rich with characters from European royalty to early stamp dealers to common criminals while also providing detailed examinations of the stamps themselves including a complete census of the stamps now known as the Texas Confederate Postmasters Provisionals Appealing at once to devoted philatelists Texas and U S history buffs and amateur collectors of all kinds The Great Texas Stamp Collection offers a unique vantage point from which to view our history as well as the very nature of collecting **Gordon McLendon** Ronald

Garay, 1992-03-17 Students and others interested in radio history will be intrigued by this fast paced biography of Gordon McLendon s career in the radio industry touching also on his work in motion pictures and involvement in Texas politics Following a glimpse into his childhood education and military career Ronald Garay describes McLendon s station ownership and management in Palestine Texas the development of a major network the Liberty Broadcasting System his live and recreated baseball and football programs and his skirmishes with the major league baseball establishment Much attention is given to how McLendon re invented radio and competed with television and print media through his Top 40 music hits disc jockey programming and the use of local news Important concerns regarding station trafficking editorializing and public interests are considered as well in this extraordinary book *The World Almanac for Kids - Scavenger Hunts, Grades 3-5*

Greg Camden, 2005 Featuring actual pages from The World Almanac for Kids this book provides stimulating activities that are easy to implement Students develop reading comprehension and critical thinking skills as they read nonfiction information to find the answers to related questions Activities cover all areas of the curriculum including science social studies language arts and math as well as art music and physical education P 4 of cover **Central Collecting Point in**

Munich, The Iris Lauterbach, 2019-01-08 A compelling exploration of the many issues surrounding the restoration and restitution of Nazi stolen art at the end of World War II At the end of World War II the US Office of Military Government for Germany and Bavaria through its Monuments Fine Arts and Archives division was responsible for the repatriation of most of the tens of thousands of artwork looted by the Nazis in the countries they had occupied With the help of the US Army s

Monuments Men the name given to a hand picked group of art historians and museum professionals commissioned for this important duty massive numbers of objects were retrieved from their wartime hiding places and inventoried for repatriation Iris Lauterbach s fascinating history documents the story of the Allies Central Collecting Point CCP set up in the former Nazi Party headquarters at Königsplatz in Munich where the confiscated works were transported to be identified and sorted for restitution This book presents her archival research on the events people new facts and intrigue with meticulous attention to the official systems frameworks and logistical and bureaucratic enterprise of the Munich CCP in the years from 1945 to 1949 She uncovers the stories of the people who worked there at a time of lingering political suspicions narrates the research conservation and restitution process and investigates how the works of art were managed and returned to their owners

Colour of Paradise Kris E. Lane,2010-03-30 Among the magnificent gems and jewels left behind by the great Islamic empires emeralds stand out for their size and prominence For the Mughals Ottomans and Safavids green was as it remains for all Muslims the color of Paradise reserved for the Prophet Muhammad and his descendants Tapping a wide range of sources Kris Lane traces the complex web of global trading networks that funneled emeralds from backland South America to populous Asian capitals between the sixteenth and the eighteenth centuries Lane reveals the bloody conquest wars and forced labor regimes that accompanied their production It is a story of trade but also of transformations how members of profoundly different societies at opposite ends of the globe assigned value to a few thousand pounds of imperfectly shiny green rocks

Throw Away Teen Shannon Kennedy,2022-09-20 She s disposable and she knows it A survivor of too many foster homes B J Larson is content living in a youth center where your status is determined by how long your arrest record is And hers is lengthy Then she s placed in her 13th foster home in the small town of Stewart Falls Washington with foster parents who will love her not just the money the state pays for her care B J knows kids like her never get real homes much less real families She s not stone stupid She knows a scam when she sees one but if these new foster parents want to pay her for grades and trying new things she ll get the A s Ah heck she ll even be a cheerleader

Museum Registration

Methods John E. Simmons,Toni M. Kiser,2020-06-22 Since the first edition was published in 1958 Museum Registration Methods has defined the profession and served as a fundamental reference for all aspects of collections registration care and management The sixth edition of Museum Registration Methods is a comprehensive guide to registration and collections management for museums from acquisition to use and deaccessioning The authors and other contributors come from a wide variety of museums and specializations The 56 chapters in this edition are either new or updated and include the history of the profession the role of the registrar in the museum managing very large collections developing and implementing collection management policies documentation of collections accessioning condition reports deaccessioning repositories and provenance research Contemporary and digital art living and natural history collections loans exhibitions found in collection objects shipping records management and electronic data management are also addressed along with object handling and

numbering digitization condition reporting preventive care storage on and off site inventory moving and packing shipping nationally and internationally couriering risk assessment security insurance integrated pest management ethics sustainability sacred and culturally sensitive objects intellectual property rights appraisal ethical and legal issues and research The book includes a comprehensive resource list glossary hypothetical situations to ponder and model collection forms *The Silver Madonna and Other Tales of America's Greatest Lost Treasures* W.C. Jameson,2013-07-12 The twenty four tales in this book are of the most famous lost treasures in America from a two foot statue reportedly made entirely of silver the Madonna and a cache of gold silver and jewelry that was rumored to also contain the first Bible in America to seventeen tons of gold its value equal to the treasury of a mid sized nation buried somewhere in northwestern New Mexico What makes these tales even more compelling is that none of these known to be lost treasures have been discovered although modern detecting technology has made them eminently discoverable **Matching Minds with Sondheim** Barry Joseph,2025-10-02 By near universal consensus Stephen Sondheim was the greatest musical theater composer of his generation celebrated among other things for the wit sophistication and intricacy of shows from West Side Story to Sunday in the Park with George But a less well known avenue for his brilliance was his lifelong fascination with designing and constructing intricate puzzles and games from treasure hunts to crosswords to parlor and board games Matching Minds with Sondheim is a journey into this rich but largely unmapped aspect of the composer s creative life illuminating how Sondheim s playful designs delivered moments of clarity and connection for friends colleagues and anyone who s ever been captivated by his genius This book opens for the first time the door into what Sondheim called his puzzler s mind helping readers to better understand the man his work and if they accept the challenge themselves Gaming expert Barry Joseph draws from over eighty years of Sondheim s activities including extremely rare and never publicly seen puzzles and game designs scores of original interviews with the celebrity friends who played them archival deep dives and illuminating analysis from both puzzle designers and theater professionals from around the world Packed with illustrations and insights this book does more than describe Sondheim s life in puzzles It allows readers to match minds with the maestro by attempting to solve his puzzles and bring Sondheimian games into their own homes
