Speak Your Healing from the Homosexual Deception Bonnie M. Egglehand, 2014-10-08 The lies of homosexuality dissipate because a life of purity in Christ Jesus decidedly removes the homosexual deception Each step toward Jesus brings us closer to His image and we are changed We emerge free to be exactly whom Father God created us to be Leaving all secrets with honesty and transparency before God and man forgiving ourselves and all abusers we emerge in our true identity with a heterosexual desire This desire for the opposite sex is as natural as apple pie Leaving the judgments the facades the sins and all idols the stark truth remains Our true identity is found in Jesus Christ alone *The Drama of*

Redemption Joel Wingo, 2009-02-04 This is a concise survey of the Bible focusing on the theme of redemption in Jesus Christ which ties all of the books of the Bible together **Inner Healing** Mike T. Flynn, Douglas H. Gregg, 2009-09-20 This

AM and the Great We ARE Steven Paul, 2025-10-09 What if the Higher Power you tentatively acknowledged in recovery has been orchestrating your healing all along What if the spiritual principles that saved your life aren t just human wisdom but reflections of eternal truths spoken by the very source of life itself In this groundbreaking exploration a voice from the trenches of addiction recovery reveals the stunning connections between Jesus seven I AM declarations and the spiritual awakening that transforms lives daily in recovery communities across the world Born not in seminary classrooms but in the desperate search for truth that began in addiction s darkest valleys this book bridges the gap between the recovery community and the church with profound insight in unflinching honesty From the Bread of Life that satisfies spiritual hunger no substance could fill to the True Vine that produces the authentic fruitfulness recovery promises each I AM statement addresses a specific aspect of addiction and recovery with startling clarity Discover how The Light of the World penetrates the darkness of denial deception The Good Shepherd provides the sacrificial care that broken hearts desperately need The Gate offers both access to abundant life and protection from forces that would destroy recovery The Resurrection and the Life provides hope for complete restoration When addiction has caused devastation that seems irreparable Written for anyone who has experienced addiction s destruction whether personally or through a loved one this book demonstrates that your recovery story is actually a subplot in God s much larger narrative of redemption The same Jesus who spoke these profound truths 2000 years ago remains the living answer to every need that addiction creates This isn t theology dressed up in recovery language or recovery principles forced into religious molds This is the recognition that the deepest human struggles with powerlessness spiritual hunger moral confusion and existential emptiness find their ultimate solution in the

One who declares I AM so that broken people can confidently declare WE ARE redeemed restored and renewed For those still struggling discover that your rock bottom can become His solid foundation For those in recovery there s more much more For families and loved ones find hope that no addiction is too severe for resurrection power For those in ministry meet your mission field in the rooms where miracles happen daily The mathematics of addiction never made sense but the mathematics of grace are equally counterintuitive less equals more weakness equals strength surrender equals victory death equals life This is more than a book it s an invitation to discover that the Higher Power who saved you from active addiction wants to save you for active discipleship Your recovery story is actually a love story and the love interest has a name From powerlessness to purpose from spiritual death to abundant life from the great I am not to the grateful we are this journey reveals that recovery isn t just about getting sober It s about getting saved staying saved and helping others find the same salvation you ve found This book will change how you understand both recovery and faith It s essential reading for anyone who believes that grace and spiritual awakening aren t just compatible they are inseparable Restoring the Fallen Tent Riaan Engelbrecht,2023-01-26 It has been a while since the Lord spoke about restoring the tent of meeting To understand this we need to understand that before church there was the Temple and before the Temple there was the tent of meeting in the days of Moses The tabernacle of meeting evolved in the physical Temple built by Solomon which evolved among the Gentiles to be mostly church buildings With the stages of development especially among Gentiles the very essence of the tabernacle of meeting as in the days of Moses got lost among the sand of time The tabernacle in the wilderness was about God meeting with man and where man could enjoy the presence of the Lord By the shed Blood of the Lamb God s presence is now not contained within a physical structure for God now makes His home within man by the indwelling presence of the Holy Spirit Therefore as believers we have BECOME the tabernacle of meeting Through our interpretation of church the tabernacle today sadly remains a physical structure instead a spiritual one The church of today has evolved away from the foundational concept of divine interaction relationship and Covenant participation which forms the spiritual tabernacle house in service to God It is time to rediscover God s true intent and purpose for the Tabernacle and how we are to restore what has fallen and become lost over the centuries **Seventh Thunder: Restore My Authority Over Cities** Jeffrey Allen,Donna M. Allen,2006-08 **Satan's Counterfeit Healing** Lawrence E. Burkholder,2019-09-30 The Christian church worldwide has been taken prisoner by Satan s counterfeit healing This statement is based on the author s personal experience modest exposure to the Toronto Blessing observation of parachurch healing ministries and extensive historical reconstructions Satan s Counterfeit Healing presents and evaluates Satan s supernatural healing from the Paleolithic period ca 45000 BCE to the contemporary church The guiding thesis is that Satan and his demonic surrogates perform miracles which are evident as psi paranormal phenomena These manifestations include physical and exorcistic supernatural healings Paleolithic and Neolithic periods produced Great Mother goddess worship and healing which have persisted ever since These

idolatries combined with OT nature gods were a backdrop to Jesus true miracles For two thousand years of church history there s been a tug of war between true and false healing Mother goddess as Mariological shrine healing joined with natural and demonic magic and esoteric energy psi Alongside these the Holy Spirit has raised up genuine healers and their ministries Modern healing is marked by energy counterfeits and faith healing the latter especially accompanied by trance false prophecy and psi transformations True divine healing can be recovered when Christians repudiate nature gods reject false prophecy and restore proper eschatology
