Wine, Women and Good Hope June

McKinnon,2015-10-01 While setting up a refreshment station in the Cape of Good Hope Jan van Riebeeck tried his hand at making wine and brewing beer This introduction partnered with its trusty bedfellow sex set the tone for what would become a hedonistic metropolis Wine Women and Good Hope is a romp through this more salacious history of the Cape looking at the antics of certain missionaries from the London Missionary Society whose wandering eyes and love of the flesh took precedence over their moral duty to the church and Cecil John Rhodes whose excessive indulgence in alcohol contributed to his own demise and no doubt influenced the disgraceful behaviour of some of his contemporaries Using her knowledge as a genealogist June McKinnon traces the lineages of many well known family trees to overturn the notion that those who lived in the past were nobler or had more sense than their modern descendants Encompassing tales that are both humorous and tragic in their revelations of past misdeeds this book will give you access to the little known history of the Cape of Good Hope and leave you asking the question What were my ancestors really up to

'An Entirely Different World': Russian Visitors to the Cape 1797-1870 Boris Gorelik,2015-11-01 The Russian view of the Cape as represented in this volume may be unique During the period in question Russia had no cultural political or economic ties with South Africa Russians saw the Cape only as a convenient stopover en route to the Far East to their country's distant domains that could not be reached by sea otherwise The Cape was one of the exotic lands they would visit on such journeys their first and only introduction to the African continent Although amazed and perplexed by the entirely different world they found here Russian travellers would often draw unexpected parallels between life in their motherland and the realities of the Cape Colony The selections include memoirs of such important Russian personalities as Yuri Lisiansky Vasily Golovnin Ivan Goncharov and Konstantin Posyet Most of the texts appear in English for the first time
