The Cosmic Mountain J.

Leavitt Pearl, Joe D. Smith, 2025-10-14 Across the ancient world priests and poets tell of a cosmic mountain the place from which creation is born and where humans encounter the gods In the Bible Mount Zion is the abode of the god of Israel But this mount also sits at the center of modern day Jerusalem People live and work across Mount Zion You can pick up a nice scarf or some great falafel there Such is the paradox of the cosmic mountain it is at once sacred and mundane terrestrial and divine The cosmic mountain is the place where the heavens and earth overlap The narrative journey of the Bible is blazed with cosmic mountains From Mount Moriah to Mount Sinai Mount Tabor to Mount Olivet sacred mountains structure the biblical story Like The Odyssey Lord of the Rings or Game of Thrones the Bible is a grand narrative spread across centuries with unexpected plot developments and complex literary allusions It is also a deeply human story of sex and murder passion and regret love and betrayal By highlighting these mountain narratives The Cosmic Mountain offers readers a progressive and justice centered introduction to this grand story What unfolds is an epic tale of a god's quest to partner with humanity to restore creation

This book is written for those among us who have weathered life's storms yet sense a nagging emptiness in their spiritual well being Lenten Reflections From the Desert to the Resurrection is written for those of us who want to be more spiritual It is divided into four parts Part One sets the framework for a treatment of the study of our salvation It is devoted to the historical roots of Lent its purpose and its theology To that end this section also provides the reader with an overview of the

creation story a discussion of evil and sin and a summary of the Trinity and the incarnation Part Two sets the stage for an initial reflection on Lent while Part Three introduces the disciplines needed to successfully pass through the desert to spiritual wholeness Four seminal questions are posed Where are we What are we Who are we Why are we Answers to these questions set the stage for what many spiritual masters call the purgative way in which the Twelve Step Program of Alcoholics Anonymous is suggested as a framework to one's first steps into spiritual wholeness At some point in their spiritual journey the reader moves into what these same spiritual masters call the illuminative and unitive ways Part Four is entitled The Agony and Exultation Here we join Jesus on the road to Calvary where he is crucified We know a mysterious joy as he rises from the tomb We end our reflections with his departure from his disciples the coming of the Paraclete and a new understanding of the meaning behind Jesus' sacrifice and life on earth

The Star of Redemption Franz Rosenzweig, 1985-08-31 The Star of Redemption is widely recognized as a key document of modern existential thought and a significant contribution to Jewish theology in the twentieth century An affirmation of what Rosenzweig called the new thinking the work ensconces common sense in the place of abstract conceptual philosophizing and posits the validity of the concrete individual human being over that of humanity in general Fusing philosophy and theology it assigns both Judaism and Christianity distinct but equally important roles in the spiritual structure of the world and finds in both biblical religions approaches toward a comprehension of reality

Love Walks on Wounded Feet Bruce L. Taylor, 2022-06-08 In this new volume of sermons for the Common Lectionary Revised experienced preacher and pastor Bruce L.
