The Green Child Herbert Read, Sir Herbert Edward Read, 1970 *The Green Child* is the only novel by Herbert Read the famous English poet anarchist and literary critic First published by New Directions in 1948 it remains a singular work of bewildering imagination and radiance The author considered it a philosophical myth akin to Plato's cave Olivero the former dictator of a South American country has returned to his native England after faking his own assassination On a walk he sees through a cottage window a green skinned young girl tied to a chair He watches in horror as the kidnapper forces the girl to drink lamb's blood from a cup Olivero rescues the child and she leads him into unknown realms *The Green Child* Herbert Read, 1935-01-17 Beautifully written a triumph of delicate and suggestive mystification *The New York Times* **The Green Child** Herbert Edward Read, 1979 *The Green Child* Herbert Edward Read, 1945 *The green child, by herbert read* sir Read, 1947 *The Green's Hill Novellas* Amy Lane, 2016-06-14 *A Green's Hill Collection Companion to the Little Goddess Series* Welcome to Green's Hill a small secret collective of the fey furry and undead existing unnoticed in the California foothills for over a hundred and fifty years Whether your passion is exotic were animals angels elves or vampires you can find them here although things are changing on the hill Bound by love and honor Cory Green and Adrian work to give their followers a home but they have no idea that the effects of their true love will spread like ripples in a pond Be prepared for the unexpected and ready for enchantment you never know who will be awakened to the romantic possibilities of a vampire a sorceress or a pansexual elf who finds power in the force of love This anthology includes *Litha's Constant Whim* It is on Litha that Whim meets Charlie and their vows to return next Litha and finish what they started launch a thirteen year tradition of celebration First Edition published by Dreamspinner Press June 2010 *I Love You Asshole* It's a good thing vampires live forever because it might take Marcus that long to convince Phillip that gender lines are for the living First Edition published by Dreamspinner Press May 2011 *Guarding the Vampire's Ghost* An accident of divine politics has put Adrian a twice dead vampire in heaven and under the care of angels Shepherd and Jefischa First Edition published by Dreamspinner Press October 2010 *KIDSPEAK* Karen Brown, 2011-09-02 This book is designed to be a ready reference for you in times of stress It will provide you with a wealth of information to use every day as you travel through the adventure of parenting your children We all know how easy it is to be calm and centred when the kids are behaving It is not so easy though when calmness has disappeared and insanity seems to take hold It is my wish that you use this book as a source of inspiration and guidance That it becomes a companion and gentle reminder to you of the wonderful parent you are and that it serves to reinforce what you already know **The Good Listener** Andrew Black, 2024-02-09 About the Book *The Good Listener* is a bold new fiction book about a plan among the animal leaders of the world who meet at a barn in Los Angeles and develop a plan to end to the world wide destruction and suffering caused by human beings the animals have realized that the devastation is almost irreversible and that the animals have one last chance to stop the humans before a mass extinction of

the animal kingdom begins The animals agree to infect a young couple with a special seed obtained from the tar pits secretly creating a hybrid child The Good Listener a human baby with certain plant and animal characteristics which help the child communicate with every living thing on the earth While The Good Listener has no eyes ears mouth nor nostrils it can breathe see and hear through its green skin and is neither male nor female Insects birds and animals all come to see the wonderous child while grasses trees and plants bloom as the child walks past The animals hope that The Good Listener will convince the people of the world that they must change their ways before the humans are left in a world with no plants or animals but the government seizes the child for evaluation after it is seen in public With The Good Listener s help the animals of the sea create a tsunami attacking Los Angeles and while the predators of the land attack humans in the city the rest of the animals flee to the high mountains beginning a new life away from humans At the same time the plants release a new type of pollen which is nutritious to birds and insects but is flammable and is also noxious and toxic to humans To save themselves the humans must develop a plan respecting accommodating and incorporating all of the plants insects fish and animals of the world or the humans will become extinct instead of the plants or the animals The book is an adventure story comprised of numerous animals several humans and the hybrid child The book contains a pre quill embedded within the storyline as well as an open end allowing a sequel In addition several of the animal characters have such unique personalities allowing the development of one or more independent prequel storylines Alan the king of the ants and Frank the lord of the flies are central figures in the book and likely deserve their own background stories Finally the main character the hybrid child is unique and fascinating creating a never before seen opportunity to develop a multi book line of sequels Herbert Read Reassessed David Goodway,1998-01-01 Herbert Read 1893 1968 acquired in his lifetime a considerable international reputation in all the major areas of his diverse activities as poet as educationalist as anarchist as philosopher of aesthetics as art critic as historian of and above all as propagandist for modern art and design The papers assembled in Herbert Read Reassessed offer a comprehensive and authoritative coverage of Read s life work that is designed to stimulate debate An impressive volume it manages to present a unified but not totalizing portrait of one of England s most distinguished twentieth century critics English Historical Review **Recharting the Thirties** Patrick J. Quinn,1996 The aim of Recharting the Thirties is to revitalize the awareness of the reading public with regard to eighteen writers whose books have been largely ignored by publishers and scholars since their major works first appeared in the thirties The selection is not based on a political agenda but encompasses a wide and divergent range of philosophies clearly the contrasts between Empson and Upward or between Powell and Slater indicated the wide ranging vision of the period Women writers of the period have largely been marginalized and the writings of Sackville West and Burdekin for example not only present distinct feminine voices of the period but also illuminate how much good literature has been forgotten
