The Suicidal Murders Souvik Mitra, 2020-10-08 The story begins with a film called suicide It revolves around a death camouflaged by the mysteries of suicide and murder The plot deepens as Samar one of their friends dies on the day of the film s release Slowly the film starts casting its reflections in the real life of its makers from multiple perspectives Samar s tragic demise too gets shrouded in the web of murder and suicide affecting the lives of each one of them unraveling their and deepest and darkest secrets to one another But Subhankar takes them all to a journey far back in time from where the story of their film originated A journey that will take them through the philosophies of life and death and change everything forever This Novel is a unique trilogy where three different stories are intricately woven into a single book *The Grail Murders (Tudor Mysteries, Book 3)* Paul Doherty, 2012-11-27 The search for hidden treasure brings Roger Shallot face to face with murder In Paul Doherty s *The Grail Murder* Roger Shallot s third journal he must pit his wits against the terrifying and mysterious Templars Perfect for fans of Ellis Peters and C J Sansom In 1522 the rogue Roger Shallot and his sober sided master Benjamin Daunbey are sent for by Cardinal Wolsey Stafford Duke of Buckingham has been arrested for treason and Benjamin and Roger are made to witness his bloody execution The true reason for Buckingham s downfall soon becomes apparent he was searching at Templecombe Manor and Glastonbury Abbey in Somerset for two precious relics the Holy Grail and Excalibur the sword of King Arthur Benjamin and Shallot are ordered to Templecombe accompanied by the leaders of

King Henry VIII's dreaded secret service the Agenciers in Rebus to find these relics for the King. They must pit their wits against the Templars, a secret organisation plotting against the Tudors of which Buckingham may have been a part and who may still have a member of their society close to the crown. The difficulties that wily Shalott, running true to his boast of possessing the fastest legs and quickest wits in Christendom, has to face soon make their presence felt. A duel, blackmail, the curses of a witch, the grisly hand of glory decapitated heads, mysterious fires and silent murder in the eerie Templar chapel. What readers are saying about *The Grail Murders*. This book had it all: locked room murders, a mysterious country manor house, an abbey, Templar conspiracy and Arthurian folklore. Excellent. Fascinating historical mysteries brought to life with lots of accurate historical facts. Excellent story. Always enjoyed the Shalott stories; he is a lovable rogue. *Catalog of Copyright Entries. England's Secret Weapon explores the way Hollywood used Sherlock Holmes in a series of fourteen films spanning the years of World War II in Europe, from *The Hound of the Baskervilles* in 1939 to *Dressed to Kill* in 1946. Basil Rathbone's portrayal of Holmes has influenced every actor who has since played him on film, TV, stage and radio, yet the film series has until now been neglected in terms of detailed critical analysis. The book looks at the films themselves in combination with their historical context and examines how the studio updated Holmes and recruited him to fight the Nazis, steering a careful course between modernising the detective and making sure he was still recognisable as the old Holmes in clothes, locations and behaviour. *Alice Leighton; or the Murders at the Druid's Stones* Thomas FROST, 1857.
