The Politics Of Welfare The New York City Experience

Timothy A. Hacsí

The Politics Of Welfare The New York City Experience:

The Politics of Welfare Blanche Bernstein, Margery Bernstein, 1984-05
Bernstein, 1982 **Follow the Money** Lynne A. Weikart, 2009-03-26 The critical influence of bankers and credit agencies on the mayors of the Big Apple comes to light in this fascinating study Lynne A Weikart reveals how financial elites in New York City have exploited recurring fiscal crises and sharply curtailed the range of choices open to mayors in setting priorities and implementing fiscal policy Despite the appearance of objectivity and neutrality bankers and bond rating agencies capitalize on crises to expand their influence and force the city to drastically reduce its spending and payroll significantly degrading the quality of city services In the face of enormous pressure to defer programs and compromise promises to constituents however committed mayors from Fiorello LaGuardia to Michael Bloomberg have still managed to overcome obstacles and achieve progressive goals **The Hispanics In The United States** L. H. Gann, Peter Duignan, L H Gann, 2019-07-11 Hispanic peoples are the fastest growing minority in the United States yet the literature on Hispanics as a group is very sparse This is the first large scale survey to cover the history politics and culture of all major Hispanic groups including Cubans Mexicans Puerto Ricans and Chicanos in the United States The authors begin by examining the Spanish legacy of the Southwest the beginnings of large scale Mexican immigration into the borderlands after the turn of the century socioeconomic changes brought about by World War I and changes in the demographic composition of the nation as a result of later immigration They next discuss in detail the national debate over immigration asking for example whether immigrants compete for jobs and social services whether the Immigration and Naturalization Service is capable of handling the flow of immigrants and whether employer sanctions are just They also describe the immigrants themselves their educational levels occupational backgrounds and experiences in adapting to life in the United States stressing the difference between the various groups in these areas Finally Drs Gann and Duignan look at Hispanic culture including politics education sports and social problems This pioneering study argues that immigration is a positive experience for both the newcomers and the local communities into which they settle **The End of the Experiment** Stanley Rothman, 2017-09-08 The End of the Experiment ties together Stanley Rothman s theory of post industrialism and his four decades of research on American politics and society Rothman discusses the rise and fall of the New Left the sixties impact on America s cultural elites and the emergence of new post industrial humanistic values The first part of this book explains how cultural shifts in post industrial society increased the influence of intellectuals and redefined America s core values The second part examines how the shift in American social and cultural values led to a crisis of confidence in the American experiment And in a final section Rothman s contemporaries provide insight into his work reflecting on his continued influence and his devotion to traditional liberalism Rothman presents a quantitative study of personality differences between traditional American elites and new cultural elites Rothman argues that the experiment of America as a new nation rooted in democracy morality and civic virtue is being

destroyed by a disaffected intellectual class opposed to traditional values

Children, Families, and Government

Edward F. Zigler, Sharon Lynn Kagan, Nancy W. Hall, 1996-09-13 *Children Families and Government* Preparing for the Twenty first Century analyses the relationship between child development research and the design and implementation of social policy concerning children and families This book is both timely and enduring perennially important issues like health care welfare reform and drug abuse are addressed in a context that enables the reader to relate current events to the theories and foundations on which policies are based It highlights state of the art research and reforms to specify policy areas affecting children and families

Justice and Gender Deborah L. RHODE, Deborah L Rhode, 2009-06-30 This is the first book to provide a comprehensive investigation of gender and the law in the United States Deborah Rhode describes legal developments over the last two centuries against a background of historical and sociological changes in women s activities and attitudes toward these new developments She shows the way cultural perceptions of gender influence and in turn are influenced by legal constructions and what this complicated interaction implies about the possibility or impossibility of using law as a tool of social change

Reviews of this book Rhode s work is impressive in its scholarship and its range a compelling account Josephine Shaw International and Comparative Law Quarterly Reviews of this book The definitive treatment of the American legal system s struggle to deal with issues pertaining to gender The strength of Rhode s analysis however is not its historical aspect but its

probing view of modern gender issues The focus is always on the deeper forces that have led to gender disadvantage There is much to be learned from reading this volume Victoria J Dodd Bimonthly Review of Law Books Reviews of this book A comprehensive journey through the history of law and gender The book is important in a number of ways It paints in stark irrefutable colors the irrational prejudices that have served to justify legal determinations limiting equality I t has the audacity to ask the law to turn on itself and work more justly Sheila James Kuehl California Lawyer Reviews of this book Encyclopedic Thorough carefully nuanced Rhode gives all sides their fair due on every issue she takes up A valuable resource for many years to come Susan Okin Law and Social Inquiry Justice and Gender breaks the impasse created by legal and theoretical debates over sameness and difference Deborah Rhode s brilliant analysis of gender and the law in the United States from the nineteenth century to the present argues persuasively for theories rooted in careful contextual analysis and for a legal emphasis on gender disadvantage rather than gender difference This book offers a new vantage point from which to think about the role of law in building a just society Sarah M Evans University of Minnesota

The Limits of Social Policy Nathan Glazer,1988 Many social policies of the 1960s and 1970s designed to overcome poverty and provide a decent minimum standard of living for all Americans ran into trouble in the 1980s with politicians with social scientists and with the American people Nathan Glazer has been a leading analyst and critic of those measures Here he looks back at what went wrong arguing that our social policies although targeted effectively on some problems ignored others that are equally important and contributed to the weakening of the structures family ethnic and neighborhood ties commitment to work that form the foundations of a healthy society What keeps society going after all is that most people feel they should work however well they might do without working and that they should take care of their families however attractive it might appear on occasion to desert them Glazer proposes new kinds of social policies that would strengthen social structures and traditional restraints Thus to reinforce the incentive to work he would attach to low income jobs the same kind of fringe benefits health insurance social security vacations with pay that now make higher paying jobs attractive and that paradoxically are already available in some form to those on welfare More generally he would reorient social policy to fit more comfortably with deep and abiding tendencies in American political culture toward volunteerism privatization and decentralization After a long period of quiescence social policy and welfare reform are once again becoming salient issues on the national political agenda Nathan Glazer s deep knowledge and considered judgment distilled in this book will be a source of advice ideas and inspiration for citizens and policymakers alike *Work in America* United States. Congress. House. Select Committee on Children, Youth, and Families,1986 Up from Dependency ,1988 Civil Rights Digest ,1984

Mandatory Workfare Program for Able-bodied Food Stamp Recipients United States. Congress. Senate. Committee on Agriculture, Nutrition, and Forestry,1983 **Making Government Work** Tex Lezar,1994-11-01 The ideas and new vision contained in this volume lay a firm foundation for local leaders to build on as they employ their new mandate

The Oxford Handbook of New York State Government and Politics Gerald Benjamin, 2012-09-20 The Oxford Handbook of New York State Government and Politics brings together top scholars and former and current state officials to explain how and why the state is governed the way that it is. The book's thirty-one chapters assemble new scholarship in key areas of governance in New York, document the state's record in comparison to other U.S. states, and identify directions for future research.

The Politics of Care Work Emma Amador, 2025-04-18 In *The Politics of Care Work* Emma Amador tells the story of Puerto Rican women's involvement in political activism for social and economic justice in Puerto Rico and the United States throughout the twentieth century. Amador focuses on the experiences and contributions of Puerto Rican social workers, care workers, and caregivers who fought for the compensation of reproductive labor in society and the establishment of social welfare programs. These activists believed conflicts over social reproduction and care work were themselves high-stakes class struggles for women, migrants, and people of color. In Puerto Rico, they organized for women's rights, socialism, labor standards, and Puerto Rican independence. They continued this work in the United States by advocating for migrant rights, participating in the civil rights movement, and joining Puerto Rican-led social movements. Amador shows how their relentless efforts gradually shifted the field of social work toward social justice and community-centered activism. The profound and enduring impact of their efforts on Puerto Rican communities underscores the crucial role of Puerto Rican women's caregiving labor and activism in building and sustaining migrant communities.

Housing and Planning References, 1983

Second Home Timothy A. Hacsí, 1997 As Timothy Hacsí shows, most children in nineteenth-century orphan asylums were half-orphan children with one living parent who was unable to provide for them. The asylums spread widely and endured because different groups—churches, ethnic communities, charitable organizations, fraternal societies, and local and state governments—could adapt them to their own purposes. In the 1890s, critics began to argue that asylums were overcrowded and impersonal. By 1909, advocates called for aid to destitute mothers and argued that asylums should be a last resort for short-term care only. Yet orphanages continued to care for most dependent children until the Depression strained asylum budgets and federally funded home care became more widely available. Yet some Catholic asylums, in particular, cared for poor children into the 1950s and 1960s.

Losing Ground (10th Anniversary Edition) Charles Murray, 2008-08-04 This classic book serves as a starting point for any serious discussion of welfare reform. *Losing Ground* argues that the ambitious social programs of the 1960s and 1970s actually made matters worse for its supposed beneficiaries: the poor and minorities. Charles Murray startled readers by recommending that we abolish welfare reform, but his position launched a debate culminating in President Clinton's proposal to end welfare as we know it.

Agents of the Welfare State C. Jewell, 2007-09-03 This book shows how responsiveness in European welfare programs is institutionalized through nationally distinct legal foundations, professional traditions, and resource networks while revealing how resource scarcities threaten to erode these capabilities.

The Conditions of Discretion Joel Handler, 1986-08-20 This timely book is concerned with interactions between ordinary

people and large public bureaucracies interactions that typically are characterized by mutual frustration and antagonism In fact as Joel Handler points out the procedural guidelines intended to ensure fairness and due process fail to take account of an initial imbalance of power and tend to create adversarial rather than cooperative relationships When the special education needs of a handicapped child must be determined parents and school administrators often face an especially painful confrontation The Conditions of Discretion focuses on one successful approach to educational decision making developed by the school district of Madison Wisconsin in order to illustrate how such interactions can be restructured and enhanced Madison s creative plan regards parents as part of the solution not the problem and uses lay advocates to turn conflict into an opportunity for communication Arrangements such as these in Handler s analysis exemplify the theoretical conditions under which discretionary decisions can be made fairly and with the informed participation of all concerned The Conditions of Discretion offers not only a detailed case study sympathetically described but also persuasive assessments of major themes in contemporary legal and social policy informed consent bureaucratic change social movement activity the relationship of the individual to the state From these strands Handler weaves a significant new theory of cooperative decision making that integrates the public and the private recognizes the importance of values and preserves autonomy within community A masterful blend of social criticism social sciences and humane constructive thought about the future of the welfare state Duncan Kennedy Harvard Law School

This is likewise one of the factors by obtaining the soft documents of this **The Politics Of Welfare The New York City Experience** by online. You might not require more time to spend to go to the book start as competently as search for them. The Politics Of Welfare The New York City Experience Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Politics Of Welfare The New York City Experience free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Politics Of Welfare The New York City Experience free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to

download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The Politics Of Welfare The New York City Experience free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading The Politics Of Welfare The New York City Experience. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The Politics Of Welfare The New York City Experience any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About The Politics Of Welfare The New York City Experience Books

1. Where can I buy The Politics Of Welfare The New York City Experience books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
