**The Posthumous Essays of John Churton Collins (Classic Reprint)** John Churton Collins,2015-06-30 Excerpt from The Posthumous Essays of John Churton Collins Most of the following Essays were delivered by my father in the form of lectures My task has been to put into shape passages which were little more than rough notes to find references for the quotations given and generally to see the Essays through the press Amongst those who knew him some speculation may be aroused as to whether or not the quotations which are given throughout the book were written down by him from memory Certainty on this point is impossible but the nature of the few slips which occurred in the quoted extracts has induced me to think that the majority at least of the quotations were written down without reference to their originals and to those who were acquainted with his wonderful memory and to the readers of his Life recently published this would be no matter for surprise About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      *The Posthumous Essays of John Churton Collins.
