The Power Of Mindimages:

The Image in Mind Charles Taliaferro, Jil Evans, 2013-06-06 A philosophical inquiry into the strengths and weaknesses of theism and naturalism in accounting for the emergence of consciousness the visual imagination and aesthetic values The authors begin by offering an account of modern scientific practice which gives a central place to the visual imagination and aesthetic values They then move to test the explanatory power of naturalism and theism in accounting for consciousness and the very visual imagination and aesthetic values that lie behind and define modern science Taliaferro and Evans argue that evolutionary biology alone is insufficient to account for consciousness the visual imagination and aesthetic values Insofar as naturalism is compelled to go beyond evolutionary biology it does not fare as well as theism in terms of explanatory power

The Power of Images David Freedberg, 2013-02-01 This learned and heavy volume should be placed on the shelves of every art historical library E H Gombrich New York Review of Books This is an engaged and passionate work by a writer with powerful convictions about art images aesthetics the art establishment and especially the discipline of art history It is animated by an extraordinary erudition Arthur C Danto The Art Bulletin Freedberg's ethnographic and historical range is simply stunning The Power of Images is an extraordinary critical achievement exhilarating in its polemic against aesthetic orthodoxy endlessly fascinating in its details This is a powerful disturbing book T J Jackson Lears Wilson Quarterly Freedberg helps us to see that one cannot do justice to the images of art unless one recognizes in them the entire range of human responses from the lowly impulses prevailing in popular imagery to their refinement in the great visions of the ages Rudolf Arnheim Times Literary Supplement
