The Power of the Cross Graham Tomlin, 2007-03-01 In a postmodern world the church cannot escape the question of power The contemporary critique of the church suggests that it reigned for so long in Western society not because it was more true than its rivals but because it was more powerful Is the Christian claim to truth merely a veiled bid for power Has not the church regularly abused its power during the years of Christendom Does Christian theology have the resources to answer these charges This book argues that it does in the quiet but recurrent theme of the theology of the cross It explores the origins and contours of this kind of theology in three of its major exponents St Paul Martin Luther and Blaise Pascal showing how each of them turned to a theology of the cross to combat the abuse of power within the church It concludes by considering how such theology might do the same in the postmodern context Of interest to anyone concerned with the role of the church in a postmodern world or in the theology of the cross itself this book explores vital themes for the church's life and thought both today and in the future

Activating the Power of the Cross SAMPLER Tony Evans,2012-11-15 Enjoy these SAMPLE pages from Activating the Power of the Cross Without a proper understanding of the power that was granted to believers through the cross it is difficult for the Christian to truly benefit from and maximize its authority while on earth The cross accomplished eternal security for those who place their faith in Christ alone however what is often overlooked are the accomplishments of the cross that are to be carried out on earth In his unique style Dr Evans examines the cross in such a way as to bring hope into the hearts of each reader while giving them practical tools for leveraging all God intended and achieved at Calvary **The Power of the Cross** Ann Marie Alman,2014-11-18 The Power of the Cross reveals in a most simple yet compelling way the plan purpose and potential of Christs life and sacrifice as it relates to all believers Jesus died for much more than your sins Christ died for your physical and spiritual healing deliverance from bondage prosperity and eternal security This book takes you on a journey through the Scriptures to show you all of the blessings and glorious inheritance you have in Christ and how it is all available to you by grace through faith in Jesus Christ The Wisdom of the Cross and the Power of the Spirit in the Corinthian Church Cletus L. Hull,2018-10-18 The cross of Christ crucified symbolized the central theme of Paul s ministry In his letter to the Corinthians the apostle commenced his correspondence with the message about the cross and power of God 1 Cor 1 18 NRSV The proposal for this paper utilizes the method analogia scripturae Set within the wisdom motif of the Greco Roman world this study is dedicated to the examination of the apostle s Christology in the context of 1 Cor 1 18 25 and the pneumatology in 1 Cor 2 9 16 as both pericopes are juxtaposed in his epistle Essentially the thesis concerns the grounding of the pneumatology of Paul with his Christology in 1 Corinthians The Corinthian church required clarification and pastoral wisdom with their pneumatic experiences thus Paul recognized that a strong theology of the cross complemented their encounters with the Spirit The question for biblical studies involves a lively tension of the pneumatology of the Spirit with a robust Christology Because the power of God throughout this passage has the cross as its paradigm the structure of the book leads to the significance of the apostle s pneumatological contribution of the cross and Christ crucified 1 Cor 1 18 2 2 For this reason a strong Christology must ground the pneumatology of the Pauline corpus This study in biblical literature commences a new discussion in ecumenical dialogue between pneumatic experiences in the church and christological issues in Scripture **The Power of Love - with Stations of the Cross** J A Russell,2014-11-06 The well known Catholic tradition of The Stations of the Cross focuses our attention on the immense love Jesus has for us by undergoing His Passion and Death By His Cross Jesus united us to His Father our Father bringing us to know His healing and Light as we journey with Him throughout our ordinary everyday lives This book with meditations pauses at each Station made by Jesus contemplating the depth of His love while mindful of all He gained for us through His powerful Resurrection **The Scriptures, the Cross and the Power of God** Tom Wright,2006-01-01 This collection of nine meditations from renowned biblical scholar and Anglican Bishop Tom Wright carries Holy Week from its solemn beginnings to the dramatic conclusion on Good Friday and

CARRUTHERS,1850 **The Wisdom and Power of the Cross** Richard Viladesau,2020 This volume is the fifth in a series dealing with the passion and death of Christ symbolized by the cross in Christian theology and the arts It examines the way the passion of Christ has been thought about by theologians and portrayed by artists and musicians in the modern and contemporary world It examines the traditional approaches to soteriology in contrast to revisionist theologies that take up the challenge of understanding the meaning of the cross in the light of critical historical studies and modern science **St. Paul on the Power of the Cross** Fr Mitch Pacwa,2024-10-15
