Antoinette Marie Davis, 2013-01-29 *Life Lessons for Everyday People* is a book that focuses on the lessons that we can learn as we go through various situations on a day-to-day basis. These lessons are meant to teach us that life is not over because we do not have the job, spouse, house, or car that we want. These lessons were written to tell us that life is just beginning when we realize that God is in control of everything in our lives. No matter what your background is, you will experience these life lessons and various other lessons so that you can understand that life is all about learning from the decisions that we make. But the best part about life is learning, and as you learn, you will be able to live a better life in Christ. **attitude**

Sachin Srivastava, 2020-10-16 Each of us has the power to choose a positive attitude over a negative one. If you want an attitude that works for you that improves the quality of your life and enables you to accomplish your dreams, you have to work at it. You can't just sit around and wait for a positive attitude to come over you. In this book, I will provide you with tools to tune and take control of your attitude, even in the most challenging times. The material in this book is not merely motivational. It offers you step-by-step instructions and examples of how others, including myself, have benefited by taking responsibility for their attitudes. You have made an investment in yourself, an investment that will pay dividends when and only when you apply the principles and take action. The fundamental principle is that attitude is all it takes to walk those nine yards. You'll learn that no matter how old you are, what your position or station in life, your gender, or your marital status, a positive attitude can make an incredible difference. In the chapters that follow, I will give you the tools you need for an attitude tune-up. I'm going to provide you with ten steps for turning attitude into action.

Antoinette Spurrier, 2012-02 Antoinette Spurrier trained in the field of psychology with an emphasis in family counseling and a specialty in treating chemical dependency. She directed the Family Alcoholism Unit of the Utah Alcoholism Foundation in Salt Lake City and she co-founded a not-for-profit organization that specialized in intervention, education, and counseling for the drug and alcohol addicted. Her career was dramatically interrupted and then altered by the onset of a life-threatening catastrophic illness. Her initial focus became surviving a medical death sentence, followed by profound personal changes that included the evolution of a much larger spiritual perspective. She stabilized her health while developing an interest in meditation, affirmations, and visualization as healing.

**A Lifelong Love Affair** Joseph Nowinski, 1989 Nowinski looks at a wide range of problems that can undermine emotional intimacy such as low self esteem gender role conflict feelings of powerlessness distrust between partners job stress and anger Sharing practical advice he shows couples how to overcome these obstacles and improve their understanding communication and sexual pride

*Speaking Being* Bruce Hyde, Drew Kopp, 2019-07-31

*Speaking Being* Werner Erhard Martin Heidegger and a New Possibility of Being Human is an unprecedented study of the ideas and methods developed by the thinker Werner Erhard In this book those ideas and methods are revealed by presenting in full an innovative program he developed in the 1980s called The Forum available in this book as a transcript of an actual course led by Erhard in San Francisco in December of 1989 Since its inception Erhard s work has impacted the lives of millions of people throughout the world Central to this study is a comparative analysis of Erhard s rhetorical project The Forum and the philosophical project of Martin Heidegger Through this comparative analysis the authors demonstrate how each thinker s work sometimes parallels and often illuminates the other The dialogue at work in The Forum functions to generate a language which speaks being That is The Forum is an instance of what the authors call ontological rhetoric a technology of communicating what cannot be said in language Nevertheless what does get said allows those participating in the dialogue to discover previously unseen aspects of what it currently means to be human As a primary outcome of such discovery access to creating a new possibility of what it is to be human is made available The purpose of this book is to show how communication of the unspoken realm of language speaking being is actually accomplished in The Forum and to demonstrate how Erhard did it in 1989 Through placing Erhard s language use next to Heidegger s thinking presented in a series of Sidebars and Intervals alongside The Forum transcript the authors have made two contributions They have illuminated the work of two thinkers who independently developed similar forms of ontological rhetoric while working from very different times and places Hyde and Kopp have also for the first time made Erhard s extraordinary form of ontological rhetoric available for a wide range of audiences from scholars at work within a variety of academic disciplines to anyone interested in exploring the possibility of being for human beings From the Afterword I regard *Speaking Being* as an enormously important contribution to understanding Heidegger and Erhard The latter has received far too little serious academic attention and this book begins to make up for that lack Moreover the book s analysis of Heidegger s thought is
