Made Healthy in Ministry for Ministry C. John Weborg,2011-08-11 Clarity of vocational practice is key to clergy health The center of clergy practice is the ministry of Word and Sacrament What takes place at the pulpit font or pool and table is the divine intent and extent of ministry While this may sound in house and parochial in the extreme it is both priestly and prophetic John Weborg s argument in this book is that the clergy can be made healthy in ministry for ministry by maintaining vocational clarity The priestly and prophetic acts of Word and Sacrament address the clergy before they address the congregation Hence what is offered here is a spirituality through practices the clergy are hearers before preachers baptized before baptizers communicants before celebrants Neither a how to book nor a work of pastoral theology *Made Healthy in Ministry for Ministry* is aimed toward helping clergy appropriate the gifts and graces of the practices they are called and authorized to carry out **Christian Nation** ,1923 The Publishers' Trade List Annual ,1985
