Alderson,2022-03-28 A practical understanding of the new covenant is important to each believer The apostle Paul wrote an entire letter to the church at Galatia because the church was preoccupied with a mixture of the new and old covenants and he warned that this was becoming a real problem In fact he referred to this perversion as another gospel in Gal 1 6 The devil would like nothing more than to water down Christianity by addition and subtraction to rob the Christian of his joy and his freedom Galatians 5 1 This work is intended to help believers understand the dynamics of the new covenant as Jesus taught them through John s Gospel and other Scriptures The transition from the old covenant to the new covenant was a real struggle for the first century church as evidenced by the first church council in Jerusalem Acts 15 Just as the Apostle Peter had difficulty with it this struggle continues today through many different movements which undermine the purity of the gospel of grace and cause great division within the church Having a firm grasp of the important dynamics of the new covenant allows us to discern when the devil tries to pervert the truth and helps bring believers into the abundant life that Jesus had intended each believer to experience Susan's Coffeebreak Susan Pippin,2011-11-21 The Daily Devotions Coffee Break began in March of 2006 and has truly been inspired by God and is now reaching across this nation and others touching the lives of both women and men The Devotions are taken from life experiences and reveal how God s Word relates to each one My desire is that hearts and lives be changed by the Word of God and I pray that these Devotions will be a blessing to all Thank you for being a part of this outreach to bring others to the saving keeping and loving knowledge of Jesus Christ Susan and her husband Ken reside in Tarpon Springs Fl and are the pastors of Highest Praise Family Church Susan is the mother of two handsome sons two beautiful daughters in law and six awesome grandchildren She is an ordained minister with the Assemblies of God and is currently the Women s Ministries representative for the St Pete Clearwater area in Florida

**Excuses Begone!** Dr. Wayne W. Dyer,2011-01-01 Within the pages of this transformational book Dr Wayne W Dyer reveals how to change the self defeating thinking patterns that have prevented you from living at the highest levels of success happiness and health Even though you may know what to think actually changing those thinking habits that have been with you since childhood might be somewhat challenging If I changed it would create family dramas I m too old or

too young I m far too busy and tired I can t afford the things I truly want It would be very difficult for me to do things differently and I ve always been this way may all seem to be true but they re in fact just excuses So the business of modifying habituated thinking patterns really comes down to tossing out the same tired old excuses and examining your beliefs in a new and truthful light In this groundbreaking work Wayne presents a compendium of conscious and subconscious crutches employed by virtually everyone along with ways to cast them aside once and for all You ll learn to apply specific questions to any excuse and then proceed through the steps of a new paradigm The old habituated ways of thinking will melt away as you experience the absurdity of hanging on to them You ll ultimately realize that there are no excuses worth defending ever even if they ve always been part of your life and the joy of releasing them will resonate throughout your very being When you eliminate the need to explain your shortcomings or failures you ll awaken to the life of your dreams Excuses Begone
