Atlantis Emmet John Sweeney, 2010 Historian Emmet Sweeney persuasively intertwines history and literary references with hard science from archaeology and anthropology to genetics and geology to prove the existence of an ancient trans Atlantic link between the Old World and the New Sweeney examines The geological certainty of a sunken island in the Azores The Human Genome Project s startling revelation that 3% of Native American DNA is characteristic of people of south west Europe and the Atlas Mountains whose inhabitants as late as Roman times called themselves Atlanteans Archaeological and cultural proof of a relationship between the Stone Age and Early Bronze Age civilizations of North America and South West Europe The occurrence of cocaine and tobacco two American narcotics in many Egyptian mummies Piece by piece Sweeney constructs a compelling case for not just the probability but the necessity of an Atlantic stepping stone the missing link that transmitted both the culture and biology of Europe to America millennia before Columbus Atlantis The Evidence of Science argues as never before that Atlantis should rise to take its place in history not myth

LIFE SUSTAINING RESOURCES FROM DEAD SPACE ROCKS BY J DOUGLAS KENYON **Mysteries in History** Paul D. Aron,2005-11-07 This work is an engaging exploration of the process of historical research following historians as they search for solutions to the greatest mysteries of all time Award winning author Paul Aron takes readers on a journey through great historical mysteries through the ages Entertaining in themselves the stories also show that history is not merely living but lively The reader who comes to the book thinking history is boring will leave with a changed outlook with regard to both the subject matter and the process of writing history Each chapter is a carefully and thoroughly researched presentation not of popularized accounts but of valid historical scholarship Chronologically arranged the essays show the historical process in action For each disputed historical point theories arise become standard wisdom and then are revised as additional information becomes available This book reveals the mechanics of that process including spirited debate swashbuckling archaeology and the application of modern science to ancient questions **Disinformation Guide to Ancient Aliens, Lost Civilizations, Astonishing Archaeology & Hidden History** Preston Peet,2013-01-01 If you think the history you were taught in school was accurate you re in for a big surprise This group of researchers blows the lid off everything you thought you knew about the origins of the human race and the culture we live in Cover p 4 **Invented Knowledge** Ronald H. Fritze,2009-05-15 This incredible exploration of the murky world of pseudo history reveals the mix of proven facts informed speculation and pure fiction behind lost continents ancient super civilizations and conspiratorial cover ups as well as the revisionist historical foundations of religions such as the Nation of Islam and the Church of Jesus Christ of Latter day Saints Drawing on the best scholarship available Ronald H Fritze shows that in spite of strong mainstream historical evidence to the contrary many of these ideas have proved durable and gained widespread acceptance As the examples in Invented Knowledge reveal pseudo historians capitalize on and exploit anomalies in evidence to support their claims rather than examining the preponderance of research as a whole The Land of Osiris Stephen S. Mehler,2002-03 Was there a advanced prehistoric civilization in ancient Egypt Who were the people who built the great pyramids and carved the Great Sphinx Did the pyramids serve as energy devices and not as tombs for kings Independent Egyptologist Stephen S Mehler has spent over 30 years researching the answers to these questions and believes the answers are Yes An indigenous oral tradition still exists in Egypt and Mehler has been able to uncover and study it with the help of a living master of this tradition Abd1El Hakim Awyan He has also been given permission to share these teachings presented heretofore in fragments by other researchers to the Western World teachings that unfold a whole new understanding of ancient Egypt Publisher s description *Discovery of Prehistory Ancient India* Dr. Jagat K. principal of the town High school along with the matriculate students had assembled at the Hindu temple to celebrate the victory of the Allies at the WW II Sweets were distributed I threw the sweets on the floor The reason I did this was not because I sided with the Axis powers But because Indian soldiers were fighting for Britain as India was not a free country Next morning the Principal got me in his office and whipped me several times on my palms and ordered me to leave the school and come back with my parent The principal told my father that Jagat to pay a fine of Rs 5 and threatened that in case of denial I will be rusticketed expelled from school as a bad character student and no school would admit me I am proud of my father that he said that only Jagat to decide I said that paying fine means admission of the guilt In my opinion it was not a guilt I with recommendation of my class teacher Mr Chandnani got admission in the P H High School Dadu only about 50 miles away from my home town In 1947 on the eve of partition there was an accidently bomb explosion in Karachi suspected of an RSS activity Several RSS leaders were arrested A Khalsa police officer secretly alerted my grand father to hide me to avoid arrest I along with a few RSS pracharaks secretly reached Karachi to take a ship for Okha Gujarat then train to Baroda In 1948 Mahatma Gandhi was assassinated by Nathuram Godse Because Godse was an RSS member the whole RSS all over India was banned I participated in the collective protest against the injustice of punishing the whole RSS organization because of the crime by its only one RSS member Whole family can not be punished because of the crime of its one member I was imprisoned in Baroda jail for four months Thousands of RSS members all over India were imprisoned Dr Jagat K Motwani
