The Heritage of Armenian Literature Agop Jack Hacikyan,Gabriel Basmajian,Edward S. Franchuk,Nourhan Ouzounian,2000 Preserving Armenia s rich literary tradition from a multitude of viewpoints has been the aim of this three volume work This third volume joins the previous two in making excerpts of Armenian masterpieces accessible in beautifully rendered English translations while enabling readers to enjoy the immediacy of these works through lively discussions of the authors and their times Here the focus is on the eighteenth through twentieth centuries The volume begins with a comprehensive overview of the entire historical social and literary panorama of the periods covered the Armenian Renaissance the development of modern Armenian with its Western and Eastern versions the emergence of a national identity and democratic thinking with their impact on literature and theater and such literary schools as Romanticism Realism and Aestheticism Biographies of more than 130 prominent authors appear in these pages together with critical comments concerning their works and extensive excerpts from the works themselves The texts are edited annotated with footnotes and presented in a format that permits easy comprehension Literature unveils a rich pageant of works in historical perspective The varied experiences from the Armenian past come alive allowing for new understandings and comparisons to literatures of other nations History of the Caucasus Christoph Baumer,2023-10-05 In the Shadow of Great Powers is the second volume of Christoph Baumer s History of the Caucasus It covers the period from the Seljuk domination of the Southern Caucasus around 1050 CE to the present day After the Kingdom of Georgia s golden age of independent power and cultural blossoming in the 12th and early 13th centuries the Caucasus was overrun by the Mongols and soon disintegrated into innumerable smaller kingdoms principalities and khanates At the same time an Armenian kingdom in exile maintained a precarious independence in Cilicia today s southern Turkey by applying a three way diplomatic policy balanced between the Mongol Il Khanate the Crusader states and to a lesser degree the Mameluke Empire Then followed four centuries during

which the highly fragmented polities of the North and South Caucasus became political pawns of the regional great powers above all the Ottomans Iran and Russia In the wake of World War I the South Caucasus enjoyed a short lived independence whereas its northern neighbours were engulfed by the Russian civil wars But by 1921 the Soviet Union had re established Russian dominance over the whole region and from a Western perspective the region disappeared behind the Iron Curtain Nevertheless the Caucasian nations kept their pronounced identities even under Soviet rule giving rise at the dissolution of the Soviet Union to a number of internecine conflicts Whereas the Russian Federation managed to maintain its supremacy over the North Caucasus albeit at the cost of bloody wars and insurrections Armenia Azerbaijan and Georgia succeeded in more or less gaining control over their destiny Of these three republics only Azerbaijan secured a wide ranging independence thanks to its fossil fuel resources Following Russian interference Georgia lost control over two of its provinces while Armenia remains dependent on Russian support in the face of its notoriously antagonistic relations with neighbouring Azerbaijan and Turkey over the unresolved issue of Karabakh In the Shadow of Great Powers includes some 200 full colour images and maps which further bring the turbulent history of this region to light
