**The Presidents We Imagine** Jeff Smith, 2009-03-19 In *The Presidents We Imagine* Jeff Smith examines the presidency's ever changing place in the American imagination. Ranging across different media and analyzing works of many kinds, some familiar and some never before studied, he explores the evolution of presidential fictions, their central themes, the impact on them of new and emerging media, and their largely unexamined role in the nation's real politics. [The President's Daughter](#), 1997

**The Presidents' Wives** Robert P. Watson, 2000 Traces the development of the First Lady's role from obscurity into an influential force in politics, complete with office staff and budgetary resources to rival those of key presidential advisors. The author also explores the paradoxes surrounding activism in the office.

**The President's Daughter** Lawrence Omene, 2006-02 Betty Smith, daughter of the president of the United States, is a rare combination of extreme beauty and intelligence. She is also a unique product of a new form of security initiative: Betty is a walking weaponry entity. She can operate literally any type of weaponry system, has extensive knowledge of technology and geography, and is fluent in six languages. Her extensive training has been kept secret, unknown to even her closest confidants, including the President and First Lady. Betty journeys through a sequence of encounters with Islamic fundamentalists. First, she is kidnapped, but the abductors soon find out that they made a great mistake and they pay dearly for it. The counteroffensives Betty launches, and the subsequent engagement with other terrorists, prove that she is certainly not just a girl next door but also a product of hardcore military training and a blend of all the branches of Special Forces. In the end, the toughest challenge she faces is with her own fellow citizens. When her father's heart fails and he needs a donor for a heart transplant operation, Betty is lied to about the identity of the donor. This level of betrayal is utterly overwhelming and unacceptable to Betty. And she's going to make sure that someone answers for it. [The President's Daughter](#), 2005
