The Priest As A Preacher:

The Priest As a Preacher Cardinal Manning, 2005-12-01 This scarce antiquarian book is a facsimile reprint of the original. Due to its age it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving and promoting the world's literature in affordable, high-quality modern editions that are true to the original work. *The Priest as Preacher, Past and Future* Edward P. Echlin, 1973 *The Priest Is Not His Own* Fulton Sheen, 2009-09-03 The beloved Archbishop Sheen, whose cause for canonization is open in Rome, presents a profound and deeply spiritual look at the meaning of the priesthood and relationship of the priest with Christ as an alter Christus. Sheen delves deeply into what he considers the main character of the priesthood and one not often discussed: that of being like Christ, a holy victim. To be like Christ, Sheen emphasizes, that the priest must imitate Christ in His example of sacrifice, offering himself as a victim to make His Incarnation continually present in the world. Unlike anyone else, Our Lord came on earth not to live but to die. Death for our redemption was the goal of His sojourn here; the gold that he was seeking. He was therefore not primarily a teacher but a Savior. Was not Christ the Priest, a Victim? He never offered anything except Himself. So we have a mutilated concept of our priesthood if we envisage it apart from making ourselves victims in the prolongation of His Incarnation. Bishop Fulton Sheen *The Purpose of the Priest and the Preacher* Marcia Wilson, 2014-05-19 The Priest and the Preacher inform, prepare, work to teach by and far more. **The Theology of Priesthood** Donald J. Goergen, Ann Garrido, 2017-02-28 By engaging in conversation with those whose experience, perspectives and theological traditions vary from their own, the contributors to *The Theology of Priesthood* explore in detail the fundamental questions being asked about the ordained priesthood today. Priests, deacons and students of theology will find these articles an engaging means to understanding Church ministry and priesthood more deeply. *The Theology of Priesthood* includes ten essays that explore facets of ordained ministry and the ministerial priesthood. Paul Philibert OP begins with an overview of issues involved in the contemporary discussion on priesthood within the Roman Catholic tradition. Frank Quinn OP addresses the significance of language as it pertains to priesthood and ministry and how language is manifested in rites of ordination. Thomas O'Meara OP situates the discussion on priesthood within the context of an expansion of ministry in the Church since Vatican II and the implications of this expansion for ministry in the future. Stephen DeLeers articulates a theology of priesthood grounded in Vatican II and post-Vatican II documents which focuses on the primacy of preaching. Thomas Rausch SJ then takes up the issue of diversity within ministerial priesthood as he reflects on priesthood within the context of apostolic religious life. Jack Risley OP returns to the question of the relationship between ordained ministry and lay ministry. The final three articles reflect on ordained ministry from distinctive perspectives. Benedict Ashley OP takes the Letter to the Hebrews as his starting point. Paul Wesche looks at priesthood through the lens of an Eastern Orthodox priest. Donald Goergen OP asks what insights African theology, specifically African Christology, might offer a
