The Primacy of the Bishop of Rome and the Ecumenical Dialogue Adriano Garuti, 2004 The mixed results of the ecumenical dialogue since the Second Vatican Council have made it clear that the primacy of the Bishop of Rome remains the single most serious obstacle on the path of ecumenism In his landmark 1995 encyclical *Ut unum sint* Pope John Paul II reiterated the constant teaching that the Catholic Church has preserved the ministry of the Successor of the Apostle Peter the Bishop of Rome He also invited leaders and theologians of other Christian communities to engage in a patient and fraternal dialogue on this subject to find a way of exercising the primacy which while in no way renouncing what is essential to its mission is nonetheless open to a new situation This book explores in depth the discussion of papal primacy in the Catholic Orthodox Catholic Lutheran and Catholic Anglican dialogues along with an appendix on the concept of Sister Churches Each chapter describes how the primacy is viewed in the respective churches or ecclesial communities then it analyzes the documents of the official ecumenical dialogue and realistically evaluates the results achieved thus far

*Cruciform Ecumenism* Elizabeth Smith Woodard, 2019-09-06 The truth claims of Christianity appear compromised by the division of Christ's followers into different denominations What keeps Christians separated retreating to their corners labeled Catholic Orthodox and various types of Protestant Elizabeth Smith Woodard accounts for Christian disunity in terms of ecclesiology episcopacy and apostolicity in brief Who are we Who is in charge And are we who we say we are Woodard argues that the controversial issues dividing Christians today stem from these questions of authority and identity What would it look like Woodard asks if Christians did not insist on making others more like us but instead worked toward all of us becoming more and more like Christ She answers that growing in such cruciformity should serve as the basis for unity Using recent unity achieving Anglican Lutheran discussions as a case study she examines the crucial intersection of ecclesiology episcopacy and apostolicity to argue that Christians' growth in Christ's mission necessarily entails growing in unity and cruciformity
