Jones, 2001 *Her Journey* is a book about a phenomenon in the workforce that has caught the attention of many women in North America entrepreneurship For as many reasons as there are women who are becoming entrepreneurs this practice currently enjoys a great deal of popularity You may already be one of the many contributors to this way of doing business Perhaps you are considering joining the ranks of the entrepreneur Or maybe you are just curious about the reasons women seem drawn towards this idea of heading up their own businesses You will meet four women entrepreneurs Although their names have been changed these are real women with real lives and real experiences While each of their stories is different similar patterns weave in and out of each of their tales as owner operator of their own businesses The warp and woof of their entrepreneurial lives creates an existence for each of them that can best be described as a metaphorical journey The use of the journey metaphor was a natural result of listening to these women recounting anecdotes about their lives as female entrepreneurs For centuries we have used metaphors to tell stories to create visual explanations In *Her Journey* the metaphor of a journey describes entrepreneurship in terms of the patterns observed at the outset of the entrepreneurial journey en route and at the probable termination of the journey *Faith Brought Me Through - Fortitude Taught Me* LaShawn J. Tracy, 2023-02-09 *Faith Brought Me Through Fortitude Taught Me* is one of the few 2 in 1 books on the market today This book is about the everyday struggles of life that many of us go through from childhood to adulthood and everything in between I bring you directly into my life and speak about my ups downs glaucoma cancer divorce single motherhood and how I conquered both through my faith and fortitude This book will allow you to see life through my eyes and see how you too can conquer your challenges and have triumphs *Primary Education* ,1900 **Race and Ethnicity** Rodney D. Coates, 2004-10-01 *Race and ethnicity* much like water and air are all around us Yet race and ethnicity remain impervious to many of us Hence in this volume authors were challenged to

think outside the box As such scholars were encouraged to dare to contemplate to evaluate and analyze issues regarding race and ethnicity from radically different perspectives This critical process required them to evaluate their own assumptions and those of their respective disciplines Therefore much like walking a tight rope without a net the scholars attempt to free themselves from the disciplinarian blinders that often preclude the development of fresh insights Collectively the papers challenge the way we conceive and perceive of race and ethnicity As a consequence they go past the ideological constraints that normally limit such discourse by disciplinarian boundaries or disciplinarian myopia Therefore these papers provide a critical reappraisal of race and ethnicity
