Artists observe the memory and the unresolved suffering that inscribed itself both upon Lumumba's body and within the history of Congo. If Lumumba as an icon lives on today it is because the need for decolonisation does as well. Rather than seeking to unravel the truth of actual events surrounding the historical Lumumba, this book engages with his representations. What is more, it considers every historiography as inherently embedded in iconography. Film scholars, art critics, historians, philosophers and anthropologists discuss the rich iconographic heritage inspired by Lumumba. Furthermore, Lumumba in the Arts offers unique testimonies by a number of artists who have contributed to Lumumba's polymorphic iconography, such as Marlene Dumas, Luc Tuymans, Raoul Peck and Tshibumba Kanda Matulu, and includes contributions by such highly acclaimed scholars as Johannes Fabian, Bogumil Jewsiewicki and Elikia M. Bokolo. Bachata and Dominican Identity / La bachata y la identidad dominicana Julie A. Sellers, 2014-09-24

Bachata, a guitar-based romantic music that debuted in Santo Domingo's urban shantytowns in the 1960s, is today one of the hottest Latin genres. Still, fans and musicians have not forgotten the social stigma the genre carried for decades. This book interweaves bachata's history and development with the socio-political context of Dominican identity. The author argues that its early disfavor resulted from the political climate of its origins and ties between class and race and proposes that its ultimate acceptance as a symbol of Dominican identity arose from its innovations, the growth of the lower class, and a devoted following among Dominican migrants. *La bachata: una música de guitarra que se estrenó en los barrios populares de Santo Domingo en los años 60* hoy es uno de los géneros latinos más populares. No obstante, sus aficionados y sus exponentes recuerdan el estigma social asociado que conllevó por décadas. Este libro entrelaza la historia y el desarrollo de la bachata con el contexto socio-político de la identidad dominicana. La autora plantea que su desaprobación temprana resultó del clima político en que nació y los vínculos entre raza y clase social. Propone que su aceptación final como símbolo de identidad dominicana surge de sus innovaciones, el crecimiento de la clase baja y sus seguidores leales entre los migrantes dominicanos.

 arriving in Hollywood from her native Australia 10 years ago she has been in two dozen movies and is one of the best
 actresses in Hollywood today She also founded her own production company and in 2017 made Time magazine's list of the
 100 most influential people in the world So what is Robbie's secret to success Though her talent is a key factor it's her drive
 and her contributions to reshaping Hollywood for women that have made her stand out As an actress Robbie is extremely
 versatile In her breakthrough role she starred as the tough Brooklyn accented Naomi LaPaglia in The Wolf of Wall Street
 clearly outshining her male costar Leonardo DiCaprio Robbie went on to play a wide range of other characters including Jane
 Porter Tarzan's love interest in The Legend of Tarzan and Harley Quinn a crazy roller skating psychiatrist in Suicide Squad
 But it wasn't until 2017 when Robbie played the real life figure skater Tonya Harding in I Tonya that her acting won the
 hearts of everyone The movie which Robbie also produced earned her an Academy Award nomination for Best Actress
 Growing up Margot Robbie knew she had to fight her way to the top She was born on a farm in Queensland Australia and her
 father abandoned the family when Robbie was little leaving her mother to raise her and her three siblings While studying
 drama in high school Robbie held three jobs to help make ends meet Later she got a role in a popular Australian TV soap
 opera after calling the company multiple times and refusing to take no for an answer Three years later she left the show for
 Hollywood Besides acting Robbie has done notable work in film production With I Tonya under her belt Robbie took on new
 projects such as Birds of Prey featuring Harley Quinn and Promising Young Woman about a tragedy stricken vengeance
 seeking young woman It's not surprising that female characters are the focus of these films Speaking publicly Robbie pointed
 out that many women in Hollywood have to struggle for the right to earn a living and the right to be heard Through acting
 and film production Robbie gives women stronger representation in the movie business and that's certainly a welcome
