**Designing Hollywood** Christian Esquevin,2023-08-29 Since the 1920s fashion has played a central role in Hollywood As the movie going population consisted largely of women studios made a concerted effort to

attract a female audience by foregrounding fashion Magazines featured actresses like Jean Harlow and Joan Crawford bedecked in luxurious gowns selling their glamour as enthusiastically as the film itself Whereas actors and actresses previously wore their own clothing major studios hired costume designers and wardrobe staff to fabricate bespoke costumes for their film stars Designers from a variety of backgrounds including haute couture and art design were offered long term contracts to work on multiple movies Though their work typically went uncredited they were charged with creating an image for each star that would help define an actor both on and off screen The practice of working long term with a single studio disappeared when the studio system began unraveling in the 1950s By the 1970s studios had disbanded their wardrobe departments and auctioned off their costumes and props In *Designing Hollywood Studio Wardrobe in the Golden Age* Christian Esquevin showcases the designers who dressed Hollywood's stars from the late 1910s through the 1960s and the unique symbiosis they developed with their studios in creating iconic looks Studio by studio Esquevin details the careers of designers like Vera West who worked on Universal productions such as *Phantom of the Opera* 1925 *Dracula* 1931 and *Bride of Frankenstein* 1931 William Travilla the talent behind Marilyn Monroe's dresses in *Gentleman Prefer Blondes* 1953 and *The Seven Year Itch* 1955 and Walter Plunkett the Oscar winning designer for film classics like *Gone with the Wind* 1939 and *An American in Paris* 1951 Featuring black and white photographs of leading ladies in their iconic looks as well as captivating original color sketches *Designing Hollywood* takes the reader on a journey from drawing board to silver screen

*Dancing in Paradise, Burning in Hell* Trudy Irene Scee, 2016-05-01 An often overlooked segment of Maine and American history is the story of women in the working class dance industries Generally looked upon with a gasp of shock burlesque and vaudeville dancing and later taxi dancing and marathon dancing were often the only way for women to survive In taxi dancing men paid women by the dance while marathon dancing was a contest and women tried to outlast each other on the dance floor In turn of the 20th century Maine this new form of dancing was taking off as it was elsewhere in the country Historian Trudy Irene Scee explores the dance industries of Maine how they were effected by national events and how events in Maine effected national trends She explores the difficulties women faced at that time and how they turned to new forms of entertainment to make money and pay for food and shelter The focus of the book centers on the 1910s through the 1970s but extends back into the 1800s largely exploring the dance halls of the nineteenth century be they saloons with hurdy gurdy girls and the like or dance halls with women performing the early forms of taxi and belly dancing and includes a chapter on belly dancing and other forms of dance entertainment in Maine in the

1980s to early 2000s The newest form of dance striptease dancing is not be examined specifically but is discussed as it pertains to the other dance forms The book forms a unique look at one segment of Maine history and is a terrific addition to the literature on women s issues     **Appletons' Journal** ,1876     [Hit Songs, 1900-1955](#) Don Tyler,2007-04-16 This is a chronology of the most famous songs from the years before rock n roll The top hits for each year are described including vital information such as song origin artist s and chart information For many songs the author includes any web or library holdings of sheet music covers musical scores and free audio files An extensive collection of biographical sketches follows providing performing credits relevant professional awards and brief biographies for hundreds of the era s most popular performers lyricists and composers Includes an alphabetical song index and bibliography
