## **The Prisoner Wouldn't Cry:**

**The Fragments of a Broken Life** Aline Marie Fey, 2017-06-30 The Fragments of a Broken Life is an incredibly overwhelming story of an isolated and abused little girl Leena. These pages reveal an overwhelming behind-the-scenes insight concerning child molestation and rape, family denials, the no-talk rule, and the cruel and detrimental silence and guilt that is forced upon its victims. Unfolded here are many painful truths which are even now locked away in many homes all across this nation. Read and be enlightened how a trusting little girl might give her body away making an oath of silence to herself in order to protect the ones she loves. You'll see clearly how young women who have been physically, emotionally, and sexually abused as little girls could become bitter, vengeful, full of hate, suicidal, and often incapable of trusting or receiving love from a man. One of the most extraordinary things about Leena's story is that she chose to raise her beloved beautiful child who was born out of the molestation committed against her by her stepfather. But rather than a story of dismay, see for yourself how Leena experiences the Hand of God reaching into the entanglement of her life with all His goodness and mercy. How parent He was as He drew her to Himself and taught her to forgive in order to be set free. Read how God never gave up on her although she'd often given up on herself and how He took The Fragments of a Broken Life and made her whole again.
