the quality of its writing and the deep eccentricity of some of its writers Given the freedom to say what they want they take that freedom and more and the result is original provocative often very funny sometimes plain wrong From Jeffrey Bernard s reports from the Soho frontline and Auberon Waugh fulminating about hamburger gases in the early 1990s we encounter in turn the wild stream of consciousness of Deborah Ross s restaurant reviews the pinpoint etiquette advice of Mary Killen Rod Little s frothing but elegantly sculpted outrage and the magazine s secret weapon low life adventurer Jeremy Clarke This bumper selection which also includes eminent diarists mad letter writers and Boris Johnson amounts to a masterclass in comic writing lovingly compiled and edited by Marcus Berkmann who still can t believe he wrote a monthly pop column for the magazine for twenty eight years without being fired

Q Craig Brown,2024-10-01 With equal measures of wit and wisdom the author of 99 Glimpses of Princess Margaret draws a deeply original hilarious and telling portrait of the Queen herself She was the most famous person on earth she first appeared on the cover of Time magazine at the age of three When she died few people were old enough to recall a time when she was not alive Her likeness has been reproduced in photographs on stamps on the notes and coins of thirty different currencies more than any since Jesus It is probable that over the course of her ninety six years she was introduced to a greater number of different people than anyone else who has ever lived likely well over half a million Yet this most closely observed of all women rarely left any real impression on those she encountered beyond vague notions of her radiance and sense of duty A high proportion of those she met can remember what they said to her but not a word of what she said to them Up until now the curious tactic employed by biographers of the Queen has been to ignore what is interesting and to concentrate on what is not Craig Brown the author of 150 Glimpses of the Beatles and Hello Goodbye Hello rejects this formula bringing his kaleidoscopic approach to the most famous and most guarded woman on earth examining the Queen through a succession of interlocking prisms With Q this fantastically funny marvelously insightful journalist gives us an unforgettable portrait of the omnipresent elusive Queen Elizabeth II 1966 and All That Craig Brown,2006-06-29 Hilarious The Sunday Times Side splitting Daily Telegraph Craig Brown is the business Independent Craig Brown s 1966 and All That is a fabulous spoof history of modern Britain Inspired by its irreverent predecessor 1066 and All That which was published in 1930 it begins with the First World War and ends with the Millennium Dome It is effortlessly brilliant eminently quotable and very much A Good Thing Like the best satirists Brown skewers our pretensions ridicules our foibles and holds a mirror up to our times 1966 and All That is a worthy successor to 1066 and should be required reading in every school across the land Sebastian Shakespeare Tatler 1966 AND ALL THAT all the modern history you can t remember narrated in a way you can t begin to understand What You Didn't Miss D.J. Taylor,2012-09-20 Since the late 1990s Private Eye s What You Didn t Miss column has trained a vigilant lens on some of the great literary reputations of our age Highlights of this bumper selection include Martin Amis exploring the sexual revolution of the 1960s A S Byatt rewriting the Norse myths and the late Anthony Powell reflecting on his death There are verse

contributions from such distinguished contemporary poets as Seamus Heaney Clive James and Sir Andrew Motion and a host of biographical subjects ranging from Hugh Trevor Roper to the Bloomsbury Group Edited and introduced by D J Taylor What You Didn't Miss Part 94 doubles up as both an hilarious collection of literary lampoons and an alternative history of modern English Literature
