**The Problem Clergymen Don't Talk about** Charles L. Rassieur,1976      Sex in the Parish Karen Lebacqz,Ronald G. Barton,1991-01-01 Karen Lebacqz and Ronald Barton examine the gift of sexuality in relation to the parish and the dynamics of sexual desire and temptation Included in this book are the expreiences of a pastor who did not set appropriate limits explanations of how the pastoral role affects sexual contact between pastor and parishioner suggestions for a framework of ethical analysis an examination of questions for women in ministry single pastors and pastors who are gay lesbian or bisexual and a review of ethical issues related to persons who carry responsibilities for the structures of ministerial practice      The Cry of Tamar Pamela Cooper-White,2013-06-24 In this comprehensive practical and gripping assessment of various forms of violence against women Pamela Cooper White challenges the Christian churches to examine their own responses to the cry of Tamar in our time She describes specific forms of such violence and outlines appropriate pastoral responses The second edition of this groundbreaking work is thoroughly updated and examines not only where the church has made progress since 1995 but also where women remain at unchanged or even greater risk of violence      **What We Don't Talk About When We Talk About #MeToo** Joann Wypijewski,2020-06-02 An exquisite examination of a sexual culture in crisis What if we took sex out of the box marked special either the worst or best thing that a human person can experience and considered it within the complexity of reality In this extraordinary book despite longstanding tabloid style sexual preoccupations with monsters and victims shame and virtue JoAnn Wypijewski does exactly that From the HIV crisis to the paedophile priest panic Woody Allen to Brett Kavanaugh child pornography to Abu Ghraib Wypijewski takes the most famous sex panics of the last decades and turns them inside out weaving what together becomes a searing indictment of modern sexual politics exposing the myriad ways sex panics and the expansion of the punitive state are intertwined What emerges is an examination of the multiple ways in which the ever expanding default language of monsters and victims has contributed to the repressive power of the state Politics exists in the mess of life Sex does too Wypijewski insists and so must sexual politics to make any sense at all      *Religious Book Review* ,1976      Biblical Counsel ,1993      **The Living Church** ,1943      **The Truth about Clergy Sexual Abuse** Bill Donohue,2021-10-05 This work unpacks the history and root causes of the clergy sex abuse scandals in the United States Building on decades of data and research author Bill Donohue who holds a doctorate in sociology tells the story from a fresh angle and calls us to rethink our assumptions about the Church s handling of these horrific abuses The Truth about Clergy Sexual Abuse challenges many myths about the scandals demonstrating that the abuse of minors is a problem that haunts virtually every institution religious and secular where adults interact with young people The work also provides compelling evidence of the great progress that the Church has made in preventing abuse contrary to public perceptions Indeed the media Hollywood and activist lawyers have poisoned the public mind with tales of old cases giving the impression that nothing has changed Donohue investigates at length the central role that homosexuality played in the

scandal While homosexuality does not cause sexual abuse the prevalence of emotional and sexual immaturity among homosexual clergy explains why they committed most of the molestation Indeed all of the educational institutions of the Catholic Church including the seminaries have been affected by the sexual revolution that began in the 1960s and this book explores the pernicious effects of dissent from Catholic sexual morality *The Crack Cocaine Crisis* United States. Congress. House. Select Committee on Narcotics Abuse and Control,1987 *The Expansion of Rural Life* James Mickel Williams,1926 **Clergy Retirement** Daniel A. Roberts,Michael Freidman,2017-11-22 In Clergy Retirement Every Ending a New Beginning for Clergy Their Families and Congregants retirement is likened to a death experience but much more Besides saying goodbye to congregants colleagues and a career it is equally important as in any other loss to take time to grieve aernd then to discover new meaning in life through which to reinvent oneself and grow to new heights This book is a manual for transition into a new world as one approaches retirement It not only encourages the retiree to think through the process of making new meaning but offers practical suggestions of how to do so *Priests for the Third Millennium* Cardinal Timothy M. Dolan,2009-08-26 Archbishop Dolan clearly sets forth what it takes to be a Catholic priest in the Third Millennium Whether he is stressing the necessity of regular Confession and the need to celebrate daily Mass and say the Liturgy of the Hours or discussing priestly celibacy in frank realistic terms he emphasizes true priest identity by presenting a life worth living a life worth sharing a life worth offering up to the Father through Christ and in the Holy Spirit Pastoral practical and thoroughly Catholic *Priests for the Third Millennium* will renew the joy of being Catholic in the heart of seminarians priests and the people they serve *Managing Clergy Lives* Nigel Peyton,Caroline Gatrell,2013-03-14 *Managing Clergy Lives* gives a unique insight into the everyday lives of Church of England parish priests It examines how men and women priests manage their many and everyday commitments to God the Church and their personal relationships In a fast changing world *Managing Clergy Lives* shows how the vocational commitment of priests to their ordinal vows remains steadfast For today s clergy the ordained life means obedience sacrifice and a loss of intimacy embodied in spiritual self discipline and the ultimate dedication of body and soul to God Written by an Anglican Bishop Peyton in Dundee and a Senior Lecturer from Lancaster University Gatrell *Managing Clergy Lives* opens a window onto clergy households in terms of personal relationships spirituality and work home balance Drawing upon in depth interviews with 46 Area Rural Deans it reports their everyday experiences using their own words The book reveals the stories behind the enduring commitment within the Church and gets behind the scenes in order to understand the staying power of men and women who are becoming priests across a lifetime **Priests in Love** Jane Anderson,2006-02-27 Deals with the moral psychological and social challenges faced by Roman Catholic priests who left the active ministry in the 1960s and 1970s to get married men who chose responsible sexual relationships over a life of obligatory celibacy *You Are Not Going to Heaven (and why it doesn't matter)* Wes Bergen,2013-07-08 Honesty Humility The purpose and future of the church Useful and not useful parts

of the Bible A doctrine of salvation that includes mosquitoes These are some of the topics dealt with in this controversial book Written for those who still have hope for the church as well as those who don t Wes Bergen s aim is to cast a vision of the church beyond divine fire insurance Bergen s contention is that salvation is something that either happens here and now on this earth or not at all Salvation is something that happens to bodies More importantly salvation is something that either will happen on this earth or we risk making the world uninhabitable by human beings Souls are irrelevant when the air is dirty the water is undrinkable and there isn t enough to eat These are the things that the Bible really cares about and form the building blocks for the salvation that God offers This is also why this book is not about heaven The Bible is not a manual for getting to heaven The Bible cares very little about heaven and neither should you Salvation is about what happens to bodies on Tuesday rather than what we do Sunday morning or what happens to souls after the body dies Forget about heaven Either you trust in God or you don t Now get to work helping salvation happen
