Siouxsie and the Banshees Photo Book, 1986 **Ray Stevenson's Siouxsie and the Banshees** Ray Stevenson, 1983 **Let's spend the night together** Subcultures Network, 2023-11-07 Let's spend the night together explores how sex and sexuality provided essential elements of British youth culture in the 1950s through to the 1980s. It shows how the underlying sexual charge of rock n roll and pop music more generally was integral to the broader challenge embodied in the youth cultures that developed after World War Two. As teenage hormones rushed to move to the music and take advantage of the spaces opening up through consumption, education and employment, so the boundaries of British morality and cultural propriety were tested and often transgressed. Be it the assertive masculinity of the teds or the lustful longings of the teeny bopper, the gender bending of glam or the subterranean allure of an underground club disco, the free love of the 1960s or the punk provocations in the 1970s, sex was forever to the fore and more often than not underpinned the moral panics that fitfully followed any cultural shift in youthful style and behaviour. Drawing from scholarship across a range of disciplines, the Subcultures Network explores how sex and sexuality were experienced, presented, conferred, responded to and understood within the context of youth culture, popular music and social change in the period between World War Two and the advent of AIDS. The essays locate sex, music and youth culture in the context of post-war Britain, with a widening and ever more prevalent media amidst the loosening bonds of censorship in a society shaped by changing patterns of consumption and the emergence of the teenager existing as Jeff Nuttall famously argued under the shadow of the nuclear bomb. **The Cure - Pictures of You** Tom Sheehan, 2022-10-25 A ROUGH TRADE BOOK OF THE YEAR 2022 WITH A FOREWORD BY ROBERT SMITH The definitive collection of renowned photographer Tom Sheehan's images of The Cure with photographs seen here for the very first time. May Contain Flashing Images Paul Welsh, 2012-12-14 As the only person with a camera attending the first Sex Pistols gig outside London at the Lesser Free Trade Hall in Manchester on Friday June 4th 1976 I unwittingly captured a piece of musical history which still intrigues people to this day I was covering the event for the magazine that I was producing at the time entitled *Penetration* Today those photographs as well as many others taken by me during that period are selling around the world courtesy of Getty Images appearing in books and magazines as well as featuring in a number of TV and film documentaries I was born in Manchester when music first went pop and the teenager made its first appearance in society I left school at the earliest opportunity without any qualifications and very little interest in education or even reading I worked in a photographic studio for one year before joining my father as a window cleaner which I worked at for the next

ten years I fell in love with rock music at an early age and regardless of my lack of education produced two magazines Purple Smoke an arts magazine and the aforementioned Penetration Rock Magazine as a consequence of this and my association with the music scene I quickly took the alcohol drugs and backstage pass route to oblivion When people would be talking about whether their glass was half empty or half full I didn't need to ponder the question as I'd be at the bar getting a top up Along the way with the help of several girlfriends and a large dose of realisation I decided to try and educate myself and improve myself as a person in general I later became interested in comedy and spent fifteen years writing sketches for popular TV shows both in the UK and in Germany With this book the music and comedy blend together to create a style far removed from other books covering similar events and periods in time It takes us all the way from my earliest recollections to today in my late fifties attending hardcore raves With anecdotes about the music scene and tales from behind the stage door with amongst others Motorhead Hawkwind Steve Peregrine Took And the Damned through to my time living in the next room to Mick Hucknall and later as a neighbour of Richard Madeley Judy Finnegan and Tony Wilson There are also tales from the church of Dirty Dick the Swinging Vic to a prostitute by the name of Tenpenny cabbage from a glass collector in Cornwall called Rat Spew to a rugby player I accompanied to Paris by the name of Black Man's Bum An unusual journey through psychedelic music rock music punk metal techno trance and finally happy hardcore from the Pink Fairies to the Russ Abbot Show Wayne County to the Jonathan Ross Show and with lots of previously unseen photographs and associated visuals The first page of the book features the song title Life's What You Make It by talk talk and my story is of somebody who against the odds created a decent life for himself after such an unpromising start My school reports said that I was a daydreamer who they expected would be a failure however one thing is certain with this book you can always expect the unexpected
