Sir John A Builds A Wall The National Policy Adventures In Canadian History:

Sir John A. Builds a Wall Robert Walter Weir Robertson,1970 **Canadiana** ,1971 **Canadian Books in Print** ,1994

Library of Congress Catalog Library of Congress,1973 Beginning with 1953 entries for Motion pictures and filmstrips Music and phonorecords form separate parts of the Library of Congress catalogue Entries for Maps and atlases were issued separately 1953 1955 **Library of Congress Catalogs** Library of Congress,1976 **National Union Catalog** ,1978 Includes entries for maps and atlases Quill & Quire ,1971 The Canadian Encyclopedia James H. Marsh,1999 This edition of The Canadian Encyclopedia is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert Equally important every entry is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions there is satisfaction for the reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is Canada s motto and a good description of this volume s range to the

Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known Yet now Canada's finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada

The Literary Digest Edward Jewitt
Wheeler, Isaac Kaufman Funk, William Seaver Woods, Arthur Stimson Draper, Wilfred John Funk, 1920

On the Side of the People Jim William Warren, James Warren, 2005-12-15 A comprehensive history of working people in Saskatchewan from the mid 1800s to the present in a handsome coffee table format including numerous historical photos of the personalities and events that bring it to life This book is created for the working people that it celebrates In a plain spoken and engaging narrative style it captures the events and the personalities that shaped the working people of Saskatchewan and the life of the province that those workers built Jim Warren tells the fascinating tale of jobs working conditions and the attempts to effect meaningful changes in the condition of workers' lives Starting with the Fur Trade period and moving through the arrival of the railroad brotherhoods the emergence of the craft unions two world wars modernization and into the present age Working in Saskatchewan shows the evolution of the work force and the relationship between that work force and both private and public sector employers The book wraps up with a short chapter on the imagined future of labour in the province in the voices of a series of speakers ranging from former Premier Allan Blakeney to ordinary workers on the floor of a recent sfl convention Working in Saskatchewan also includes a number of features that will make it even more useful for private study or school work Two comprehensive indexes detail the chief characters who played a role in the development of the labour movement and a list of events and important topics A series of informational appendices present statistical information relating to the Saskatchewan labour force size of the organized and unorganized labour force number of women in the work force etc There will also be a helpful glossary of the acronyms and abbreviations that characterize written or oral discussions about labour and a genealogy of labour which charts the rise and growth of certain unions and their transformation into or absorption by others
