The Romance of Isabel Lady Burton Lady Isabel Burton,William Henry Wilkins,1898 **Sir Richard F. Burton** James A. Casada,1990 **The Romance of Isabel Lady Burton: The Story of Her Life (Complete)** Isabel Lady Burton,William Henry Wilkins,2020-09-28

Lady Burton began her autobiography a few months before she died but in consequence of rapidly failing health she made little progress with it After her death which occurred in the spring of last year it seemed good to her sister and executrix Mrs Fitzgerald to entrust the unfinished manuscript to me together with sundry papers and letters with a view to my compiling the biography Mrs Fitzgerald wished me to undertake this work as I had the good fortune to be a friend of the late Lady Burton and one with whom she frequently discussed literary matters we were in fact thinking of writing a romance together but her illness prevented us The task of compiling this book has not been an easy one mainly for two reasons In the first place though Lady Burton published comparatively little she was a voluminous writer and she left behind her such a mass of letters and manuscripts that the sorting of them alone was a formidable task

The difficulty has been to keep the book within limits In the second place Lady Burton has written the Life of her husband and though in that book she studiously avoided putting herself forward and gave to him all the honour and the glory her life was so absolutely bound up with his that of necessity she covered some of the ground which I have had to go over again though not from the same point of view So much has been written concerning Sir Richard Burton that it is not necessary for me to tell again the story of his life here and I have therefore been able to write wholly of his wife an equally congenial task Lady Burton was as remarkable as a woman as her husband was as a man Her personality was as picturesque her individuality as unique and allowing for her sex her life was as full and varied as his It has been my aim wherever possible throughout this book to let Lady Burton tell the story of her life in her own words and keep my narrative in the background To this end I have revised and incorporated the fragment of autobiography which was cut short by her death and I have also pieced together all her letters manuscripts and journals which have a bearing on her travels and adventures I have striven to give a faithful portrait of her as revealed by herself In what I have succeeded the credit is hers alone in what I have failed the fault is mine for no biographer could have wished for a more eloquent subject than this interesting and fascinating woman Thus however imperfectly I may have done my share of the work it remains the record of a good and noble life a life lifted up a life unique in its self sacrifice and devotion

The Intimate Sex Lives of Famous People Irving Wallace, Amy Wallace, David Wallechinsky, Sylvia Wallace, 2008 The Wallace family goes back to their 1981 classic and brings it bang up to date with acerbic sophisticated behind the curtains entries on Tupac Shakur Princess Diana Kurt Cobain Malcolm X Jim Morrison and others who have impacted popular culture 15 new entries enhance this revised classic illustrated historical romp
