Sister Stories Taking The Journey Together:

Sister Stories Brenda Peterson, 1997 A provocative penetrating portrait of sisterhood that will strike a chord with readers of such bestsellers as *Sisters* by Carol Saline and the Delaney Sisters *Having Our Say* *Sister Stories* features insights from psychology mythology history and anthropology **Sex and the Goddess** Karin E Weiss Ph.D., PhD, 2019-11-25 It has been over twenty years since the full manuscript of my book was edited for publication in 1998 I had begun writing it in the previous decade the 1980 s a period of flourishing women s liberation movements against the patriarchal status quo Books about women s sexuality and spirituality were flooding the bookstores and many writers were producing profound studies of the untold heroism of women throughout history I was a pioneer in the burgeoning field of Sex therapy and education at the University of Minnesota Medical School s Program in Human Sexuality In addition I conducted women s self enrichment groups and workshops in my private practice Woman s Discovery Institute where I also gave professional Astrology readings and classes This rich mix of psychology philosophy spirituality and a knowledge of the cyclic patterns of life shown by astrology created within me an avid interest in researching women s unsung heroism throughout history It brewed in me a heady fascination to stitch it all together in a circle montage that connects all women and all aspects of our multi layered lives I based my theory on the lunar cycle which is eternally linked to women s menstrual emotional and psychic cycles With a friend I created a series of workshops for women to celebrate their many faceted selves and gain confidence to pursue their goals Yet for various reasons my book manuscript remained in my own bookshelf never getting published Until now the times again call for women to claim their autonomy and gain equality in an overly male dominated and viciously callous world I am blessed to find in Xlibris a publisher ready to take on the project with me I am thrilled to finally see my *Life s Masterwork* in print You will find many divergent ideas in these two volumes No single woman encompasses all that are described but as you read and recognize these characters in yourselves and your friends I hope it will help you gain a full appreciation of your own awesome erotic spirit and sacred sexual powers **Making Sense of Women's Lives** Michelle Plott, Lauri

Umansky, 2000 *Making Sense of Women s Lives* presents a wide range of writings about women s lives in the United States Michele Plott and Lauri Umansky have drawn on their experiences as both students and professors to assemble the collection Seeking to provide as full a sampling from a diverse and intellectually vibrant field as one volume permits the editors have also chosen writing that makes an enjoyable read A few of the selections here represent the undisputed classics of the field More of them constitute simply the works drawn from academic and nonacademic sources alike that could make a difference in understanding what it means to be female in America *Making Sense of Women s Lives* is intended as the primary text in Women s Studies courses With that usage in mind Plott and Umansky have provided brief introductions to each article to help students understand the author s perspectives Thought and discussion questions follow each selection The book contains as well numerous Flash Exercises suggestions for class exercises and activities The editors have used these
