Sitting Up With The Dead A Storied Journey Through The American South:

Sitting Up With The Dead: A Storied Journey through the American South Pamela Petro, 2012-01-23 Stories provide the connective tissue of the South The intrepid Pamela Petro drives from the Carolinas to the Appalachians to the Atlantic seaboard from Virginia's valleys to Louisiana's swamps to meet the mesmerizing guardians of its history the storytellers who often double as local or national treasures A gifted listener Petro records how stories originate as well as how they are passed down She paints vivid portraits of the tellers while compiling tales about Jack the trickster boo hags and plat eyes ghosts and singing turtles The story of the South is not finished Petro's revelatory investigation into its oral culture is as intoxicating as it is fun

Sitting Up with the Dead Pamela Petro, 2017-02-14 For the first time in paperback an acclaimed look at the American South through the lenses of its most acclaimed storytellers and their tales Rarely does a nonfiction work come along that is as original and refreshing as *Sitting Up with the Dead* Here take a ride with Pamela Petro as she embarks on a series of road trips through the states of the Old South to collect its stories and meet its tellers of traditional tales Some of them are local celebrities others national treasures Among them are Ray Hicks a National Heritage Fellow Kathryn Windham the ghost lady Nancy Basket a kudzu paper maker Colonel Rod self proclaimed Florida cracker and Grammy Award winner David Holt You encounter plat eyes and boo hags Jack the trickster and Brer Rabbit mule eggs singing turtles talking corpses and flying Africans from the sea islands of South Carolina Stories provide the connective tissue of the South linking the past with the present They join communities as widespread as the coastal plains of the Carolinas and Georgia the swamps of the Gulf Coast and the mountains and valleys of Appalachia As distinctly American as jazz they blend cultures and oral traditions as diverse as those of southern England Ireland West Africa and native America They contain bits of lived history both from before the Civil War and after In *Sitting Up with the Dead* Pamela Petro offers a paradoxical wake for the undying body of the Old South to hear its truths and contemplate its robust afterlife in the tallest lyingest most fruitful and most haunting of its tales

Poverty Politics Sarah Robertson, 2019-08-23 Representations of southern poor whites have long shifted between romanticization and demonization At worst poor southern whites are aligned with racism bigotry and right wing extremism and at best regarded as the passive victims of wider socioeconomic policies In *Poverty Politics* Poor Whites in Contemporary Southern Writing author Sarah Robertson pushes beyond these stereotypes and explores the impact of neoliberalism and welfare reform on depictions of poverty Robertson examines representations of southern poor whites across various types of literature including travel writing photo narratives life writing and eco literature and reveals a common interest in communitarianism that crosses the boundaries of the US South and regionalism moving past ideas about the culture of poverty to examine the economics of poverty Included are critical examinations of the writings of southern writers such as Dorothy Allison Rick Bragg Barbara Kingsolver Tim McLaurin Toni Morrison and Ann Pancake *Poverty Politics* includes critical engagement with identity politics as well as reflections on issues including Hurricane Katrina the

2008 financial crisis and mountaintop removal Robertson interrogates the presumed opposition between the Global North and the Global South and engages with microregions through case studies on Appalachian photo narratives and eco literature Importantly she focuses not merely on representations of southern poor whites but also on writing that calls for alternative ways of reconceptualizing not just the poor but societal measures of time value and worth *Mixing It Up* John Shelton Reed, 2018-09-03 Too often depicted as a region with a single dominant history and a static culture the American South actually comprises a wide range of unique places and cultures each with its own history and evolving identity John Shelton Reed's *Mixing It Up* is a medley of writings that examine how ideas of the South and what it means to be southern have changed over the last century Through essays op eds speeches statistical reports elegies panegyrics feuilletons rants and more Reed's penetrating observations wry humor and expansive knowledge help him to examine the South's past survey its present and venture a few modest predictions about its future Touching on an array of topics from the region's speech manners and food to politics religion and race relations Reed also assesses the work of other pundits scholars and South watchers From Appalachia to New Orleans *Mixing it Up A South Watcher's Miscellany* offers a collection of lively prose and provocative observations about this ever changing region and its people **Tending to the Past** Karen Michele Chandler, 2024-01-18 In many popular depictions of Black resistance to slavery stereotypes around victimization and the heroic efforts of a small number of individuals abound These ideas ignore the powers of ordinary families and obscure the systematic working of racism *Tending to the Past Selfhood and Culture in Children's Narratives about Slavery and Freedom* examines Black authored historical novels and films for children that counter this distortion and depict creative means by which ordinary African Americans survived slavery and racism in early America *Tending to the Past* argues that this important understudied historical writing freedom narratives calls on young readers to be active critical thinkers about the past and its legacies within the present The book examines how narratives by children's book authors such as Joyce Hansen Julius Lester Marilyn Nelson and Patricia McKissack and the filmmakers Charles Burnett and Zeinabu irene Davis were influenced by Black cultural imperatives such as the Black Arts Movement to foster an engaged culturally aware public Through careful analysis of this rich body of work *Tending to the Past* thus contributes to ongoing efforts to construct a history of Black children's literature and film attuned to its range specificity and depths *Tending to the Past* provides illuminating interpretations that will help scholars and educators see the significance of the freedom narratives reconstructions in a neoliberal era a time of shrinking opportunities for many African Americans It offers models for understanding the powers and continuing relevance of the Black child's creative agency and the Black cultural practices that have fostered it **The Annotated African American Folktales** Henry Louis Gates Jr., Maria Tatar, 2017-11-14 Winner NAACP Image Award for Outstanding Literary Work Fiction Winner Anne Izard Storytellers Choice Award Holiday Gift Guide Selection Indiewire San Francisco Chronicle and Minneapolis Star Tribune These nearly 150 African American folktales

animate our past and reclaim a lost cultural legacy to redefine American literature Drawing from the great folklorists of the past while expanding African American lore with dozens of tales rarely seen before *The Annotated African American Folktales* revolutionizes the canon like no other volume Following in the tradition of such classics as Arthur Huff Fauset's *Negro Folk Tales from the South* 1927 Zora Neale Hurston's *Mules and Men* 1935 and Virginia Hamilton's *The People Could Fly* 1985 acclaimed scholars Henry Louis Gates Jr and Maria Tatar assemble a groundbreaking collection of folktales myths and legends that revitalizes a vibrant African American past to produce the most comprehensive and ambitious collection of African American folktales ever published in American literary history Arguing for the value of these deceptively simple stories as part of a sophisticated complex and heterogeneous cultural heritage Gates and Tatar show how these remarkable stories deserve a place alongside the classic works of African American literature and American literature more broadly Opening with two introductory essays and twenty seminal African tales as historical background Gates and Tatar present nearly 150 African American stories among them familiar Brer Rabbit classics but also stories like *The Talking Skull* and *Witches Who Ride* as well as out of print tales from the 1890s *Southern Workman* Beginning with the figure of Anansi the African trickster master of improvisation a spider who plots and weaves in scandalous ways *The Annotated African American Folktales* then goes on to draw Caribbean and Creole tales into the orbit of the folkloric canon It retrieves stories not seen since the Harlem Renaissance and brings back archival tales of Negro folklore that Booker T Washington proclaimed had emanated from a grapevine that existed even before the American Revolution stories brought over by slaves who had survived the Middle Passage Furthermore Gates and Tatar's volume not only defines a new canon but reveals how these folktales were hijacked and misappropriated in previous incarnations egregiously by Joel Chandler Harris a Southern newspaperman as well as by Walt Disney who cannibalized and capitalized on Harris's volumes by creating cartoon characters drawn from this African American lore Presenting these tales with illuminating annotations and hundreds of revelatory illustrations *The Annotated African American Folktales* reminds us that stories not only move entertain and instruct but more fundamentally inspire and keep hope alive *The Annotated African American Folktales* includes Introductory essays nearly 150 African American stories and 20 seminal African tales as historical background The familiar Brer Rabbit classics as well as news making vernacular tales from the 1890s *Southern Workman* An entire section of Caribbean and Latin American folktales that finally become incorporated into the canon Approximately 200 full color museum quality images
