Elizabeth S. Radcliffe

Skepticism And Reasonable Doubt The British Naturalist Tradition In Wilkins Hume Reid And Newman:

Scepticism and Reasonable Doubt M. Jamie Ferreira, 1986 Charting the development of the British tradition of naturalism from the 17th to the 19th century this book provides fascinating insight into a wide range of thinkers both Catholic and Protestant who explored the themes of proof practice and the role of common sense Reappraising what these thinkers can teach us about the relations between belief action and skepticism Ferreira contributes to the philosophical study of naturalist replies to skepticism as well as to a deeper appreciation of this particular segment of British intellectual history

The Oxford Handbook of John Henry Newman Frederick D. Aquino, Benjamin J. King, 2018-10-18 John Henry Newman 1801-1890 has always inspired devotion Newman has made disciples as leader of the Catholic revival in the Church of England an inspiration to fellow converts to Roman Catholicism a nationally admired preacher and prose writer and an internationally recognized saint of the Catholic Church Nevertheless he has also provoked criticism The church authorities both Anglican and Catholic were often troubled by his words and deeds and scholars have disputed his arguments and his honesty Written by a range of international experts The Oxford Handbook of John Henry Newman shows how Newman remains important to the fields of education history literature philosophy and theology Divided into four parts part one grounds Newman's works in the places cultures and networks of relationships in which he lived Part two looks at the thinkers who shaped his own thought while the third part engages critically and appreciatively with themes in his writings Part four examines how those themes have shaped conversations in the churches and the academy This Handbook will serve as an important resource to critical and appreciative exploration of the person writings controversies and legacy of Newman

John Henry Newman and Contemporary Philosophy Frederick D. Aquino, Joe Milburn, 2025-06-26 While John Henry Newman's writings have long received the attention of historians theologians and literary critics they have largely been neglected by philosophers However Newman's importance as a philosopher is just now beginning to be acknowledged This volume brings together leading philosophers and Newman scholars to explore the contours of his philosophical thought and to show its relevance to contemporary philosophy The chapters explore develop and evaluate Newman's thought considering recent work in epistemology philosophy of religion moral philosophy and philosophy of education John Henry Newman and Contemporary Philosophy will be of interest to scholars and advanced students interested in nineteenth century philosophy philosophy of religion epistemology moral philosophy philosophy of education and nineteenth century religious thought

Scepticism and Reasonable Doubt M. Jamie Ferreira, 1986 Charting the development of the British tradition of naturalism from the 17th to the 19th century this book provides fascinating insight into a wide range of thinkers both Catholic and Protestant who explored the themes of proof practice and the role of common sense Reappraising what these thinkers can teach us about the relations between belief action and skepticism Ferreira contributes to the philosophical study of naturalist replies to skepticism as well as to a deeper appreciation of this particular segment of British intellectual history

John Henry Newman's An Essay in Aid of a Grammar of Assent: A Critical Guide Frederick D. Aquino, Matthew Levering, 2025-04-01 John Henry Newman's *Essay in Aid of a Grammar of Assent* is a masterpiece of religious epistemology providing astute descriptive analysis of how the human mind actually works in addressing itself to reality as well as a novel prescriptive vocabulary for fruitfully considering the assent involved in Christian belief. While it is rightly numbered among the most important of Newman's writings, the *Grammar* is a difficult and complex work combining rigorous theoretical argumentation with deeply personal reflection. In this *Critical Guide to Newman's Grammar*, editors Frederick D. Aquino and Matthew Levering have assembled ten original essays on the work's historical background and key themes and ideas. Topics discussed include Newman's distinctions of real and notional apprehension and real and notional assent; his treatment of the role of conscience and dogmatic propositions in religious reasoning; his understanding of faith and rationality; his notions of the illative sense and the role of inference in intellectual inquiry; and his view of the relation between natural and revealed religion. The contributing authors are an international array of noteworthy Newman scholars, including Frederick D. Aquino, Christopher Cimorelli, John F. Crosby, Logan Paul Gage, Stephen Grimm, Thomas S. Hibbs, Lorraine Keller, Andrew Meszaros, Francesca Aran Murphy, Cyril O. Regan, and Geertjan Zuijdwegt. This collection of essays presents the riches of the *Grammar* in conversation with contemporary philosophical and theological concerns, guiding readers into its central topics while also advancing its scholarly reception.

A Companion to Hume Elizabeth S. Radcliffe, 2011-05-31 Comprised of twenty-nine specially commissioned essays, *A Companion to Hume* examines the depth of the philosophies and influence of one of history's most remarkable thinkers. Demonstrates the range of Hume's work and illuminates the ongoing debates that it has generated. Organized by subject with introductions to each section to orient the reader. Explores topics such as knowledge, passion, morality, religion, economics, and politics. Examines the paradoxes of Hume's thought and his legacy, covering the methods, themes, and consequences of his contributions to philosophy.

Religious Morality in John Henry Newman Gerard Magill, 2014-09-24 This book is a systematic study of religious morality in the works of John Henry Newman (1801-1890). The work considers Newman's widely discussed views on conscience and assent, analyzing his understanding of moral law and its relation to the development of moral doctrine in Church tradition. By integrating Newman's religious epistemology and theological method, the author explores the hermeneutics of the imagination in moral decision-making. The imagination enables us to interpret complex reality in a practical manner to relate belief with action. The analysis bridges philosophical and religious discourse, discussing three related categories. The first deals with Newman's commitment to truth and holiness, whereby he connects the realm of doctrine with the realm of salvation. The second category considers the theoretical foundations of religious morality, and the third category explores Newman's hermeneutics of the imagination to clarify his view of moral law, moral conscience, and Church tradition as practical foundations of religious morality. The author explains how secular reason in moral discernment can elicit religious significance. As a result, Church tradition should develop

doctrine and foster holiness by being receptive to emerging experiences and cultural change John Henry Newman was a highly controversial figure and his insightful writings continue to challenge and influence scholarship today This book is a significant contribution to that scholarship and the analysis and literature comprise a detailed research guide for graduates and scholars

David Hume Claudia M. Schmidt, 2010-11-01 In his seminal *Philosophy of David Hume* 1941 Norman Kemp Smith called for a study of Hume for Hume specialists as a unified and intriguing interpretation of his thought for philosophers generally as a synthesis of recent developments in Hume scholarship and for scholars in other disciplines as a guide to Hume's contributions to their own fields

Philosophic Classics, Volume III Forrest Baird, 2023-05-31 Esteemed for providing the best available translations *Philosophic Classics Modern Philosophy* features complete works or complete sections of the most important works by the major thinkers as well as shorter samples from transitional thinkers First published in 1961 Forrest E Baird's revision of *Philosophic Classics* continues the tradition of providing generations of students with high quality course material Using the complete works or where appropriate complete sections of works this anthology allows philosophers to speak directly to students

Understanding the Qur_anic Miracle Stories in the Modern Age Isra Yazicioglu, 2013-11-04 The Qur_an contains many miracle stories from Moses's staff turning into a serpent to Mary's conceiving Jesus as a virgin In *Understanding the Qur_anic Miracle Stories in the Modern Age* Isra Yazicioglu explores the ways in which meaningful implications have been drawn from these apparently strange narratives in both the premodern and modern eras She fleshes out a fascinating medieval Muslim debate over miracles and connects its insights with early and late modern turning points in Western thought and with contemporary Qur_anic interpretation Building on an apparent tension within the Qur_an and analyzing crucial cases of classical and modern Muslim engagement with these miracle stories Yazicioglu illustrates how an apparent site of conflict between faith and reason or revelation and science can become a site of fruitful exchange This book is a distinctive contribution to a new trend in Qur_anic studies it reveals the presence of insightful Qur_anic interpretation outside of the traditional line by line commentary genre engaging with the works of Ghazali Ibn Rushd and Said Nursi Moreover while it focuses on the case of miracle stories the book also goes beyond these specific passages to reflect more broadly on the issue of Qur_anic hermeneutics It notes the connections between literal and symbolic approaches and highlights the importance of reading the Qur_an with an eye to its potential implications for everyday life

Unveiling the Energy of Verbal Beauty: An Mental Sojourn through **Skepticism And Reasonable Doubt The British Naturalist Tradition In Wilkins Hume Reid And Newman**

In a world inundated with displays and the cacophony of fast conversation, the profound energy and emotional resonance of verbal artistry often fade into obscurity, eclipsed by the constant onslaught of sound and distractions.
