Mary A. Stiles Paul Guild, 1892 Robert Stiles married Elizabeth Frye daughter of John Frye and Anna 4 October 1660 in Rowley Massachusetts They had ten children He died 30 July 1690 Descendants and relatives lived mainly in Massachusetts Connecticut New York and New Hampshire **The Public Universal Friend** Paul B. Moyer, 2015-09-04 Amid political innovation and social transformation Revolutionary America was also fertile ground for religious upheaval as self proclaimed visionaries and prophets established new religious sects throughout the emerging nation Among the most influential and controversial of these figures was Jemima Wilkinson Born in 1752 and raised in a Quaker household in Cumberland Rhode Island Wilkinson began her ministry dramatically in 1776 when in the midst of an illness she announced her own death and reincarnation as the Public Universal Friend a heaven sent prophet who was neither female nor male In The Public Universal Friend Paul B Moyer tells the story of Wilkinson and her remarkable church the Society of Universal Friends Wilkinson s message was a simple one humankind stood on the brink of the Apocalypse but salvation was available to all who accepted

God's grace and the authority of his prophet the Public Universal Friend Wilkinson preached widely in southern New England and Pennsylvania attracted hundreds of devoted followers formed them into a religious sect and by the late 1780s had led her converts to the backcountry of the newly formed United States where they established a religious community near present day Penn Yan New York Even this remote spot did not provide a safe haven for Wilkinson and her followers as they awaited the Millennium Disputes from within and without dogged the sect and many disciples drifted away or turned against the Friend After Wilkinson's second and final death in 1819 the Society rapidly fell into decline and by the mid nineteenth century ceased to exist The prophet's ministry spanned the American Revolution and shaped the nation's religious landscape during the unquiet interlude between the first and second Great Awakenings The life of the Public Universal Friend and the Friend's church offer important insights about changes to religious life gender and society during this formative period The Public Universal Friend is an elegantly written and comprehensive history of an important and too little known figure in the spiritual landscape of early America *Death of a Confederate* Arthur N. Skinner, James L.

Skinner, 2011-08-15 Spanning nearly a century the letters in this collection revolve around a central event in the history of a southern family the death of the eldest son owing to sickness contracted during service in the Confederate Army The letters reveal a slaveowning family with keen interests in art music and nature and an unshakable belief in their religion and in the Confederate cause William Seagrove Smith was a private in the signal corps of the Eighteenth Battalion Georgia Infantry Smith was part of the force defending Savannah until it fell in late 1864 and then marched with General William J Hardee in his famous retreat out of the city and through the Carolinas Like so many other soldiers on both sides of the conflict William Smith fell not at the hands of an enemy but from disease He died in Raleigh North Carolina on July 7 1865 A parallel and complementary story about William's younger brother Archibald also emerges in the letters As a cadet at Georgia Military Institute Archibald was as his parents fervently wished exempt from service however he ultimately saw and survived action before the war's end Scattered among the many lines in the letters that are devoted to the two brothers are a wealth of particulars about agricultural industrial and social life in the family's north Georgia community of Roswell the Smith family's flight from Sherman's invasion force their lives as refugees in south Georgia and a final reunion of the Smith brothers outside of Savannah just after the city's fall Also included are a number of moving exchanges between the Smiths and the family that cared for William in his final days A brief history of the Smith family through 1863 begins the correspondence while the letters following the war reveal their fortitude in the face of William's death and the hardships of Reconstruction The volume concludes with selected letters from the subsequent generation of Smiths who conjure images of the Old South and revive the memory of William Like the most distinguished Civil War era letter collections *The Death of a Confederate* introduces a personal dimension to its story that is often lost in histories of this sweeping event *The Annual American Catalog*, 1909, 1910 *The Family Library of Poetry and Song* William Cullen Bryant, 1878 **The Annual American Catalog**,
