Nobility and Annihilation in Marguerite Porete's Mirror of Simple Souls Joanne Maguire Robinson, 2012-02-01 This first book length study of Marguerite Porete s important mystical text The Mirror of Simple Souls examines Porete s esoteric and optimistic doctrine of annihilation the complete transformative union of the soul into God in its philosophical and historical contexts Porete was burned at the stake as a relapsed heretic in 1310 Her theological treatise survived the flames but it circulated anonymously or under male pseudonyms until 1946 and her message endures as testament to a distinctive form of medieval spirituality Robinson begins by focusing on traditional speculations regarding the origin nature limitations and destiny of humankind She then examines Porete s work in its more immediate historical and literary contexts focusing on the ways in which Porete conceptualizes and expresses her radical doctrine of annihilation through contemporary metaphors of lineage and nobility

'You Shall Surely not Die' (2 Vols.) Jill Bradley, 2008-07-31 The period 800 1200 saw many changes in attitude towards death sin and salvation Visual sources can provide a valuable complement to written sources often modifying or adding another dimension to what scholars and theologians expressed in words Taking miniatures showing the Fall of Man and those with personifications of death this study looks at the ideas they express and the relationship between them It examines both the general tendencies and specific manuscripts relating them to their contexts and to the writings of the time This book shows the shifts in ideas as to what constitutes sin the merging of eschatological death with sin and a new emphasis on physical death thereby giving new insights into medieval thought and culture

Mark, Manuscripts, and Monotheism Dieter Roth, Chris Keith, 2015-02-26 Mark Manuscripts and Monotheism is organized into three parts Mark s Gospel Manuscripts and Textual Criticism and Monotheism and Early Jesus Devotion With contributors hailing from several different countries and including both senior and junior scholars this volume contains essays penned in honor of Larry W Hurtado by engaging and focusing upon these three major emphases in his scholarship The result is not only a fitting tribute to one of the most influential New Testament scholars of present times but also a welcome survey of current scholarship

The Subjective Eye Richard Valantasis, Deborah J. Haynes, James D. Smith III, Janet F. Carlson, 2006-05-15 One of the great joys of the academic life is to pay homage in a Festschrift to a scholar who has influenced both colleagues and students over years of interaction and friendship both professional and personal This volume honors a scholar and theologian of historical theology a theorist and a practitioner of religion and the arts and a keen analyst of cultural trends both ancient and modern Margaret R Miles s prodigious production as a scholar has legendary qualities Her dozen plus books alone explore history patristics ancient

philosophy art and art history spiritual formation and religious practice critical theory film ethics and values personal growth gender and women s studies as well as her true academic loves Augustine and Plotinus The breadth and depth of her own work and her influence upon others demands an expansive volume which the editors of this Festschrift unfortunately had to restrict to four categories Historical Theology Religion and Culture Religion and Gender and Religion and the Visual Arts in order to capture the heart of our appreciation for her from the Introduction

Mystics William Harmless, 2008 In *Mystics* William Harmless S J introduces readers to the scholarly study of mysticism He explores both mystics extraordinary lives and their no less extraordinary writings using a unique case study method centered on detailed examinations of six major Christian mystics Thomas Merton Bernard of Clairvaux Hildegard of Bingen Bonaventure Meister Eckhart and Evagrius Ponticus Rather than presenting mysticism as a subtle web of psychological or theological abstractions Harless s case study approach brings things down to earth restoring mystics to their historical context
