Sisters And Prophets:

Sisters and Prophets Mary Lou Sleevei,1993 Throughout the 12 portraits and stories of Sisters and Prophets Mary Lou Sleevei weaves brilliant intensely personal stories which remind us that these women are related to us they are family they are our own The author s striking art rendered in Hard Edge form uses vivid colors and stark simplicity to create bold images that tell stories of faith

Dangerous Sisters of the Hebrew Bible Amy Kalmanofsky,2014 Fathers sons and mothers take center stage in the Bibles grand narratives Amy Kalmanofsky observes Sisters and sisterhood receive less attention in scholarship but she argues play an important role in narratives revealing anxieties related to desire agency and solidarity among women playing out and playing against their roles in a patrilineal society Most often she shows sisters are destabilizing figures in narratives about family crisis where property patrimony and the resilience of community boundaries are at risk Kalmanofsky demonstrates that the particular role of sisters had important narrative effects revealing previously underappreciated dynamics in Israelite society

Sermons on Passages from the Prophets John Mason Neale,1877

New Generations of Catholic Sisters Mary Johnson S.N.D. de N.,Patricia Wittberg S.C.,Mary L. Gautier,2014-04-01 This book offers a comprehensive examination of the generations of women who entered religious life in the United States after 1965 It provides up to date demographics for women s religious institutes a summary of canon law locating religious life within the various forms of life in the Church an analysis of Church documents on religious life and data on the views of post Vatican II entrants regarding ministry identity prayer spirituality the vows and community Beginning each chapter with an engaging narrative the authors explore how different generations of Catholic women first became attracted to vowed religious life and what kinds of religious institutes they were seeking By analyzing the results of extensive national surveys the authors systematically examine how the new generations of Sisters differ from previous ones and what those changes suggest about the future The book concludes with recommendations for further understanding of generations within religious life and within the Church and society Because of its breadth and depth this book will be regarded by scholars the media and practitioners as an essential resource for the sociological study of religious life for women in the United States

Ethical Prophets along the Way Rufus Burrow,2019-12-27 The Hebrew prophets of ancient Israel strove to convey God s point of view to the people and the powers at a time when injustice deceit malfeasance and crushing the poor and the oppressed was prominent much like today The prophets spoke courageously and emphatically about God s profound and unrelenting concern and compassion for human beings Much influenced by the theology of prophecy developed by Rabbi Abraham Joshua Heschel this book discusses the nature meaning and relevance of ethical prophecy at a time when democracy in the United States of America and elsewhere is under vicious assault from the religious and secular right and authoritarian politicians who openly flirt with and support murderous dictators sexism homophobia racial bigotry anti Semitism and hatred of Muslims both in word and practice An examination of the contributions of eight powerful

personalities from the period of American slavery through the post civil rights era Angelina Grimk Ida B Wells Abraham J Heschel James Baldwin Malcolm X Martin Luther King Jr scar Romero and Alice Walker offers a recipe for addressing this state of affairs *Revelation 17-22, Volume 52C* Dr. David Aune,2017-12-12 The Word Biblical Commentary delivers the best in biblical scholarship from the leading scholars of our day who share a commitment to Scripture as divine revelation This series emphasizes a thorough analysis of textual linguistic structural and theological evidence The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor the seminary or university student the working minister and everyone concerned with building theological understanding from a solid base of biblical scholarship Overview of Commentary Organization Introduction covers issues pertaining to the whole book including context date authorship composition interpretive issues purpose and theology Each section of the commentary includes Pericope Bibliography a helpful resource containing the most important works that pertain to each particular pericope Translation the author s own translation of the biblical text reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words phrases and tenses yet in reasonably good English Notes the author s notes to the translation that address any textual variants grammatical forms syntactical constructions basic meanings of words and problems of translation Form Structure Setting a discussion of redaction genre sources and tradition as they concern the origin of the pericope its canonical form and its relation to the biblical and extra biblical contexts in order to illuminate the structure and character of the pericope Rhetorical or compositional features important to understanding the passage are also introduced here Comment verse by verse interpretation of the text and dialogue with other interpreters engaging with current opinion and scholarly research Explanation brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels 1 within the context of the book itself 2 its meaning in the OT or NT 3 its place in the entire canon 4 theological relevance to broader OT or NT issues General Bibliography occurring at the end of each volume this extensive bibliography contains all sources used anywhere in the commentary **Woman as Prophet in the Home and the World**

R. Mary Hayden Lemmons,2016-09-15 This first ever interdisciplinary study of woman as prophet shows that in these troubling times ordinary women especially Christian women need to function as prophets by proclaiming in word and deed the indispensability of lovingly seeking the welfare of others More specifically social science shows that the person centered love prophesied by women prophets is able to meet interpersonal challenges within the home and world while philosophy and theology establish that women are able to excel as prophets due to the virtuous dispositions inculcated by femininity the choice to be caring a God centered spirituality and a pro life humanitarian personalist feminism that welcomes male collaborators Facilitating the ability of Christian women to prophesy love are Baptismal graces Thomistic virtues and a much needed prophetic Marian ecclesiology based on what John Paul II calls the prophetism of femininity These interdisciplinary

findings provide an essential resource for educators and students of humanity the theology of women and evangelization These findings emerge first from an investigation into the cognitive and ontological underpinnings of what John Paul II called the feminine genius A second set of findings emerges from exploring the prophetic dimensions of the feminine genius secular feminism s need to adopt the insights of Christianity and the ability of femininity s prophetism to recast both femininity and feminism as Marian prophecies A third set of findings arises from analyzing the spirituality of women prophets within the Christian tradition by considering the conditions necessary for prophesying explicating requisite Thomistic virtues and delving into the spirituality of Hildegard Catherine of Siena Julian of Norwich and Teresa of Avila A fourth set of findings arises from innovative studies of polarization secularization lust romantic love the conditions whereby mothers with careers can flourish and the ability of nuns to combat racism in a small Midwestern town Overall these interdisciplinary investigations explicate the theology of women and show that women who prophesy love either in the order of grace or nature can help heal lives families and culture

Queer Nuns Melissa M. Wilcox, 2018-05-22 An engaging look into the Sisters of Perpetual Indulgence queer activists devoted to social justice The Sisters of Perpetual Indulgence make up an unlikely order of nuns Self described as twenty first century queer nuns the Sisters began in 1979 when three bored gay men donned retired Roman Catholic nuns habits and went for a stroll through San Francisco s gay Castro district The stunned and delighted responses they received prompted these already seasoned activists to consider whether the habits might have some use in social justice work and within a year they had constituted the new order Today with more than 83 houses on four different continents the Sisters offer health outreach support and at times protest on behalf of queer communities In Queer Nuns Melissa M Wilcox offers new insights into the role the Sisters play across queer culture and the religious landscape The Sisters both spoof nuns and argue quite seriously that they are nuns adopting an innovative approach the author refers to as serious parody Like any performance serious parody can either challenge or reinforce existing power dynamics and it often accomplishes both simultaneously The book demonstrates that through the use of this strategy the Sisters are able to offer an effective flexible and noteworthy approach to community based activism Serious parody ultimately has broader applications beyond its use by the Sisters Wilcox argues that serious parody offers potential uses and challenges in the efforts of activist groups to work within communities that are opposed and oppressed by culturally significant traditions and organizations as is the case with queer communities and the Roman Catholic Church This book opens the door to a new world of religion and social activism one which could be adapted to a range of political movements individual inclinations and community settings

Sisters And Prophets Introduction

In the digital age, access to information has become easier than ever before. The ability to download Sisters And Prophets has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sisters And Prophets has opened up a world of possibilities. Downloading Sisters And Prophets provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources

on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sisters And Prophets has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sisters And Prophets. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sisters And Prophets. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sisters And Prophets, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sisters And Prophets has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
