Glaser, 2012-03-14 In today's world when Christians think about other religions numerous questions and issues arise and their convictions about Christ and about other religions can have a significant influence on their understanding of how God relates to people and what their own conduct towards them should be From her wealth of inter cultural and inter faith experience Ida Glaser believes that the most urgent questions for Christians focus on their own responsibilities and other peoples welfare Responding to Micah 6 8 And what does the Lord require of you To act justly and to love mercy and to walk humbly with your God Dr Glaser explores biblical perspectives on other faiths and their adherents with clarity sensitivity and challenging insights for all Christians

Jews and Christians: Volume 6 Molly Whittaker, 1984-11-22 The aim of this book is to give access to sources which illustrate Graeco Roman views on Jews and Christians from 200 BC to AD 200 Passages range from longer extracts written by historians to short incidental references by disparate authors which throw light on attitudes towards beliefs and social customs The pagan religious background especially the Mystery religions is also described and illustrated by selected passages so that the reader may have some idea of the general religious climate during this period Every quotation is prefixed by a brief biography of the author and all passages have been translated into English with explanatory comment when necessary Connecting essays act as summaries and focus the attention on essential issues These together with a chronological chart and maps should enable a student coming fresh to the subject without previous specialized knowledge to see the period in historical perspective
