Sixty Years The RCAF and C of Air Command 1924-1984:

Sovereignty and Command in Canada-US Continental Air Defence, 1940-57 Richard Goette, 2018-07-09 The 1940 Ogdensburg Agreement entrenched a formal defence relationship between Canada and the United States But was Canadian sovereignty upheld Drawing on untapped archival material Sovereignty and Command in Canada US Continental Air Defence 1940 57 documents the close and sometimes fractious relationship between the two countries Richard Goette challenges prevailing perceptions that Canada's defence relationship with the United States eroded Canadian sovereignty He argues instead that a functional military transition from an air defence system based on cooperation to one based on integrated and centralized command and control under NORAD allowed Canada to retain command of its forces and thus protect Canadian sovereignty Goette combines historical narrative with conceptual analysis of sovereignty command and control systems military professionalism and civil military relations In the process he provides essential insights into the Royal Canadian Air Force's paradigm shift away from its Royal Air Force roots toward closer ties with the United States Air Force and the role of the nation's armed forces in safeguarding its sovereignty *The Red Knight Aircraft* John Charles Corrigan, 2024-11-13 The Red Knight was the product of thirty years of meticulous research by aviation historian John Charles Corrigan It is arguably the most comprehensive account ever written about the Royal Canadian Air Force's legendary solo jet aerobatics program Now the author follows up that important work with *The Red Knight Aircraft* a careful documentation of the triumphs and tragedies of each of the aircraft used by the program between 1958 and 1969 John digs into the stories of the four Silver Stars and two Tutors He pays tribute to the pilots who gave their lives trying to push the limits of aerobatics and the people connected to this colourful part of Canada's past Also included are the civilian revivals of the Red Knight and the static display aircraft painted in the colours of the RCAF's famous aerial performer Readers who saw the Red Knight in action will deepen their knowledge and be swept up in nostalgia as they peruse rare photos clippings and remembrances all gathered together in one beautiful book Aviation and air show aficionados will be treated to behind the scenes details of a bygone era as they appreciate the achievements of the Red Knight pilots and their metal steeds One Hundred Years of Air Power and Aviation Robin Higham, 2003 In this precise interpretive and informative volume Higham looks at everything from the roots of strategic bombing and tactical air power to the lessons learned and unlearned during the invasion of Ethiopia the war in China and the Spanish Civil War He also considers the problems posed by jet aircraft in Korea and the use of Patriot missiles in the Persian Gulf He covers anti guerrilla operations doctrine industrial activities and equipment as well as the development of commercial airlines *Canadian Warbirds of the Biplane Era* Harold A. handbook is not a definitive list of all Canadian manufactured or operated aircraft but should serve as a quick reminder for anyone with an enthusiastic interest in Canadian military aviation Canadian Warbird Survivors Harold A. Skaarup, 2000

The purpose of this handbook is to provide aviation enthusiasts with a handbook on where to find the surviving retired military aircraft preserved in Canada. The majority of the Canadian Warbird and War Prize Survivors are on display within a significant number of aviation museums. Many others are displayed as gate guards on or near a number of Canadian and Allied Armed Forces Bases and installations. There are also a few in the hands of private owners and collectors that have been restored to flying status. These include a number of foreign warbird survivors that were brought back to Canada as War Prizes. The museum staffs and volunteer organizations such as the Canadian Aviation Preservation Association CAPA have done tremendous work in preserving military and civilian aircraft that have been a major part of Canada's aviation heritage. A few of these aircraft are illustrated in this book along with a short description of the aircraft flown by Canadian servicemen and women. The aircraft are listed alphabetically along with a city or museum location, the manufacturer, aircraft serial number and call sign where known. Canadian Warbird and War Prize Survivors is part of a series on aircraft used by the Canadian Forces throughout its history.
