Surprised By Faith:

Surprised by Faith Dr. Don Bierle, 2017-02-01 *Surprised by Faith* will strengthen your own faith in God in the reliability of the Bible and in the truth of Jesus Christ Billy Graham Billy Graham Evangelistic Association The world is changing so rapidly that many are shaken with uncertainties This is compounded by an erosion of confidence in absolute truth and traditional values The result is a floundering search for a reliable source of purpose and meaning in life Fear not anticipation fills some hearts as people think about the future Some contend that turning to faith is anti intellectual God is about religion they say a crutch for the weak These are mere caricatures resulting from ignorance This book confronts false stereotypes and examines the astonishing body of scientific and historical evidence supporting the truth that God exists and cares about people's future This is the Gospel with evidence As a college student amid academic success and athletic achievement Don Bierle began searching for answers to the important questions of life He found there is more to life than what can be seen touched and measured Using the scrutiny and logic of his scientific training he tested the foundations for faith and was surprised and changed by the answers he discovered Hundreds of thousands of people have now discovered these answers through his book *Surprised by Faith* For them the discovery has been an Ah ha experience resulting in transformation and a life of peace and hope

Surprised by Faith Donald A. Bierle, 1992 *The Good Fight of Faith* Caroline J. Freeland, 1876 [The Meaning of Faith](#) Harry Emerson Fosdick, 1917 A book on faith has been for years my hope and intention And now it comes to final form during the most terrific war men ever waged when faith is sorely tried and deeply needed Direct discussion of the war has been purposely avoided the issues here presented are not confined to those which the war suggests but many streams of thought within the book flow in channels that the war has worn Since the conflict had to come I am glad for this book's sake that it was not written until it had Europe's holocaust for a background Against one misunderstanding the reader should be guarded If anyone approaches these studies expecting to find detailed and special views of Christian doctrine he will be disappointed The perplexities of mind and life and the affirmations of religious faith with which these studies deal lie far beneath sectarian doctrinal controversy I have tried to make clear a foundation on which faith might build its thoughts of Christian truth And while I have spoken freely of God and Christ and the Spirit of the Cross and life eternal I have not intended or endeavored a complete theology Preface
