Surprised by God Stan Gaede, S. D. Gaede, 1993 A humorous moving look at God's leading through the small things in life Stan Gaede has found God's direction in odd places while glued to the front window of a U Haul truck while listening to the complaints of an atheist friend while lost in the embrace of a slobbering dog In almost every case God has come as a complete surprise in the midst of the ordinary events of life

Organic Prayer Sherry Harney, Kevin G. Harney, 2024-07-15 Often we view prayer as an activity reserved for a certain time in a certain place offered in a specific way Scripture invites us to pray continually This exhortation is an opportunity for prayer to permeate every aspect of our lives when we're alone or in a crowd when it's quiet and when it's chaotic when we feel like it and when we don't Organic Prayer shows us how to make continuous prayer a natural part of our lives rather than something on a spiritual checklist It helps us encounter God in new ways as we learn to open our eyes to see his presence and the world around us open our ears to hear his voice guiding us open our hearts to experience freedom and power as we pray and open our lives as we pray for and with others and shine the light of Jesus in our dark world Anyone desiring a richer more transformative prayer life will welcome this fresh take on conversing with our Creator Anyone hungering to share the grace and goodness of Jesus in our hurting and confused world will find practical ideas for world changing prayer

He Knows Your Name Travis Cottrell, 2013-07-02 According to Cottrell God's goodness is predictable His mercy is dependable His ability to work in every moment of every reader's life leading them to Him is unfailing But often in those moments even the most devout are distracted by great distress failing to see or acknowledge God's presence and provision Cottrell reminds readers that God is the hope strength and deliverance we desperately need In every circumstance especially those moments when we least expect it God's voice can be heard and his presence discerned
