

A person in a dark, flowing robe is shown from the chest up, holding a large, glowing, upward-pointing arrow. The arrow is made of a translucent, golden-brown material and has a bright light emanating from its base. The person's hands are visible, holding the arrow from behind. The background is dark and textured, suggesting a stone or brick wall. The overall mood is one of divine revelation or inspiration.

invaded our lives with the amazing good news of the gospel We fell in love first with Jesus Christ then with each other He prepared us to share ministry in Pakistan Our story while unique can be duplicated millions of times for it is the story of God's gentle benevolent leading of His children even when they resist the re direction of their lives God always have our best interests at heart We have supplemented our memoir with 100 photos In this memoir we share our growing love for Pakistan and its people the agony and ecstasy of ministering God's Word in a Muslim culture We describe times when the cupboard was bare and how God miraculously provided We introduce a wheeler dealer who became a passionate preacher We describe going through two wars between India and Pakistan and the devastating flood of 1973 We talk about the challenge of having our children educated at a boarding school We reflect on Muslim outreach and the development of the Pakistani Church We celebrate the advancement of the gospel into a tribal group We describe times of chaos and sickness but over it all is the overarching plan of God unfolding in all its blessing and leading up to a nation wide extension training ministry that continues to thrive 40 years later Throughout this story we reflect on how God shapes us in spite of our failures and limitations into vessels He can use to extend His Kingdom Soli deo gloria Eric and Mary Helen Wright **LEAVE NOW** Shaun Alvin Darling, 2025-10-25 Grace Hallows has always been told that education is the key to a better life When she earns a full scholarship to Halston University one of the most prestigious colleges in the country she believes her future has finally begun But from the moment she steps on campus she can feel that something isn't right Beneath the ivy covered walls and polished smiles lies an invisible hierarchy where privilege rules and people like her are expected to stay silent When Grace is invited to join Epsilon Kappa an elite sorority known for its beauty wealth and influence she sees it as an opportunity to belong The members promise sisterhood power and lifelong connections but soon Grace begins noticing strange rituals whispered chants and unsettling disappearances A fellow student named Lila warns her that the sorority's success is built on blood but before Grace can ask questions Lila vanishes As Grace digs deeper she uncovers a horrifying secret the sorority's members participate in ancient rituals tied to wealth vitality and success rituals sustained through the sacrifice of minorities like herself Her only ally Professor Tyler Reynolds urges her to walk away before it's too late but when he too becomes entangled in the conspiracy Grace must face a choice between survival and truth What begins as a dream of higher education turns into a fight for her life Surrounded by power deception and darkness Grace realizes that the only way to live is to leave now
